I am Zataunia Taitt a resident of Homewood for almost 23 years on August 26th, I am disabled and I am a victim of Mortgage and Financial Institution Fraud that involves my real estate being stolen from me. This real estate theft has resulted in an order of the Court to evict me and my family from our home that we have three Warranty Deeds that have been recorded that proves my ownership of my property. LCVC Properties and Management Group LLC claimed to have purchased my property online at auction.com and wire transferred \$160,500.00 for that unlawful sale. That company LLC has stolen my identity and assumed a mortgage that names me as the borrower and my social security number is associated with this fraudulent mortgage loan. In spite of these facts, the Homewood Police Department refuses to take a police report so that I can get justice due

to this criminal theft of
my property and the criminal
theft of my identity,

Thank you

Signed
