Dear Ms. Mesaros,

I'm writing to encourage you to approve Niya Thompson and her business NuSole Wellness Center LLC for operations at 18664 Dixie Highway. As the owner of this property, I'm excited to have Ms. Thompson as a tenant. Ms. Thompson has an established client base for her business, and she wants to be able provide medical pedicures and manicures in her own storefront as well as meeting meeting clients in their homes.

Ms. Thompson and NuSole Wellness Center LLC provide a service that benefits the public. I hope you welcome her business as a positive addition to Homewood's commercial community.

Sincerely,

Emma Henke
