*Describe how your business is compatible with its neighbors.*

Yes the permit's use will only bring positive energy to our beautiful town.

8. Will the special use be injurious to the use or enjoyment of other property in the neighborhood for the purposes permitted in the zoning district?

*Describe any negative impacts, external to your business, that may result from it operating at this location.*

No it will not be dangerous to the neighborhood.

9. Will the special use impede the normal and orderly development and improvement of surrounding properties for uses permitted in the zoning district?

*Describe any negative impacts, external to your business, that may result from it operating at this location.*

Our special use permit will not impede the normal and orderly development.

10. Does the special use provide adequate measures of ingress and egress in a manner that minimizes traffic congestion in the public streets?

*Describe how will customers get to and from your business.*

Traffic will not be impacted in anyway that it will affect the community.

11. Is the special use served by adequate utilities, drainage, road access, public safety and other necessary facilities?

*A new business going into an existing development, may answer 'no.'*

↳ We will have adequate facilities.

12. Will the special use substantially adversely affect one or more historical, archaeological, cultural, natural or scenic resources located on the parcel or surrounding properties?

*A new business going into an existing development, may answer 'no.'*

Our special use permit will not adversely affect historical, cultural or natural resources.

## 1999 COMPREHENSIVE PLAN

*Below is an excerpt of the 1999 Comprehensive Plan containing those goals and objectives related to land use and community economic development which may be informative in the evaluation of special use permits.*

### Goal 1 - Land Use and Community Economic Development

Promote development of all remaining undeveloped property within the Village of Homewood for sound and orderly residential, commercial, and industrial development consistent with the Comprehensive Plan and the Future Land Use Map.

#### Objectives

- 1.1 - Recruit additional appropriate retail and industrial development for designated vacant commercial and industrial areas shown on the Future Land Use Map [current zoning map].
- 1.2 - Prepare a streetscape right-of-way plan for 183rd Street from the intersection of Dixie Highway to Governor's Highway to establish commercial "entryways" into the downtown central business district.
- 1.3 - Complete a plan to assess the potential for the Downtown to serve as a regional entertainment and "upscale" shopping district, serving residents within a 10-mile radius.
- 1.4 - Establish a transition zone surrounding the current downtown where, depending on market timing, changes in zoning from residential to commercial or mixed-uses would be favorably considered depending on specifics of the proposal.
- 1.5 - Complete an assessment of the success of the recent parking improvement actions to provide additional parking in the downtown and, if warranted, study the need and location of additional parking- both surface and elevated.
- 1.6 - Establish guidelines for appropriate mixed-use downtown development, including parking requirements, acceptable uses, and Village financing assistance (if deemed appropriate).
- 1.7 - Implement municipal utility improvements, especially storm water improvements, sidewalk construction/ replacement, streetscape, street tree plantings, and signage improvements.

## 2009 DOWNTOWN MASTER PLAN

*Below is an excerpt of the 2009 Downtown Master Plan containing the objectives of the Master Plan. The Downtown Master Plan generally encompasses those areas zoned B-1 and B-2.*

### Master Plan Objectives

- » Sustain and enhance Downtown Homewood as a regional draw for the South Suburbs.
- » Encourage mixed-use development of key opportunity sites to create a more active "18-hour" downtown.
- » Increase commercial development to provide more goods and services for residents and visitors.
- » Increase commercial development to enhance the economic base of the Village.
- » Increase residential densities throughout Downtown to support transit use and new commercial activity.
- » Increase use of the Amtrak and Metra stations.
- » Encourage new residential development that provides a wider range of housing products in the Village, including apartments, condominiums, townhomes, and senior housing.
- » Enhance and increase open space within Downtown.
- » Significantly improve physical conditions by expanding streetscape improvements to all Downtown blocks, upgrading street furniture, and improving the pedestrian tunnel and viaducts under the tracks.
- » Improve pedestrian and vehicular access and circulation.
