Subject: 1451 187th Street

Dear Sherrifs,
The Village of Homewood, and the Homewood Police Department refuses to do anything about the excessive speeding on 187th Street. Particularly at 187th and Ashland. They installed speed beacons that do nothing other than tell us that mist cars are going 40 or more in a 25. We haven't seen the police in months.

Also, there is a white Mustang regularly parked in the driveway at 1451 187th Street. It has no plates or only has 1 plate, which is illegal, it has illegally tinted windows and exhaust system that exceeds noise pollution levels. The Village of Homewood and the Homewood Police Department refuse to do anything about this. Your action is needed.
