

# VILLAGE OF HOMEWOOD

**BOARD AGENDA MEMORANDUM**

**DATE OF MEETING:** April 25, 2023

---

**To:** Village President and Board of Trustees

**Through:** Napoleon Haney, Village Manager

**From:** John Schaefer, Director of Public Works

**Topic:** MFT Resolution - 2023 Rebuild IL Bond Resurfacing Program

## **PURPOSE**

Each year the Village identifies streets for resurfacing to improve the ride quality of the roadway pavement for its users. This year eight (8) street sections have been identified for improvement as shown in the table below.

<b>Street</b>	<b>From</b>	<b>To</b>
Rockwell Avenue	Locust Road	Dead End
Riegel Oaks Lane	Riegel Road	300' West
Golfview Avenue	Maple Road	Cedar Road
Golfview Avenue	Cedar Road	Dead End
Gladville Avenue	183 <sup>rd</sup> Street	Evergreen Road
Tipton Avenue	Cedar Road	Dead End
Boulder Court	Bowling Green Road	Cul-de-sac
190 <sup>th</sup> Street	Center Avenue	Loomis Avenue

The resurfacing project will consist of pavement patching, needed curb and sidewalk repairs, and drainage structure adjustments. The road surface will then be finished with an asphalt overlay after milling.

## **PROCESS**

The total estimated cost for this resurfacing project is \$418,000 plus an additional \$7,000 for materials testing during construction. Since May of 2020, the Village has received \$1,273,000 of grant funds from the Rebuild Illinois (RBI) capital program which are to be accounted for and utilized similarly as Motor Fuel Tax (MFT) funds. Last year \$848,000 of the RBI Funds were utilized to resurface nine (9) street sections. In 2023 we will utilize the remaining \$425,000 of RBI Funds to resurface the above eight (8) street sections. Attached is the Illinois Department of Transportation Resolution for Improvements appropriating \$425,000 from the MFT fund for this resurfacing project.
