BOARD AGENDA MEMORANDUM

DATE OF MEETING: September 22, 2026

To: Village Board of Trustees

Through: Napoleon Haney, Village Manager

From: Joshua Burman, Director of Public Works

Topic: Supplemental Resolution - 2026 MFT Street Resurfacing Program

PURPOSE

Pass a supplemental resolution appropriating an additional \$41,000 of Motor Fuel Tax (MFT) funds to fund the low bid of Gallagher Asphalt Corporation for the 2026 MFT Street Resurfacing Program.

PROCESS

Funding for the construction and materials testing of this project currently consists of \$350,000 of Motor Fuel Tax funds which was approved by resolution at the August 11, 2026 Board Meeting. Due to MFT funding requirements, a municipality may increase funding for a bid award by 25% of the original appropriation. In this case, the original appropriation was \$350,000. Therefore, an additional \$41,000 of Motor Fuel Tax funds needs to be appropriated to fund the low bid award of Gallagher Asphalt Corporation.

OUTCOME

Once this supplemental resolution is approved by the Board, the Public Works Engineering Division will prepare contracts and forward to the contractor and the Illinois Department of Transportation for execution. The projected start date for this project is October 2026.

- **Funding Source:** Motor Fuel Tax Funds
- **Approved Amount:** \$350,000.00
- **Low Bid Cost:** \$382,307.77
