**BOARD AGENDA MEMORANDUM**

**DATE OF MEETING: September 26, 2023**

---

**To:** Village President and Board of Trustees

**Through:** Napoleon Haney, Village Manager

**From:** Bob Grabowski, Fire Chief

**Topic:** Intergovernmental Agreement – Ground Emergency Medical Transport GEMT Program

## **PURPOSE**

The Ground Emergency Medical Transportation (GEMT) Program is a federally funded Medicaid program that has been around for years, but was introduced to Illinois via legislation in 2019. The program allows municipalities an opportunity to collect an additional Medicaid reimbursement amount for ambulance services, above and beyond what the State reimburses for Medicaid claims for Emergency Transportation. The State of Illinois oversees the Ground Emergency Medical Transportation Services (GEMT) Program, which the Village has participated in since September 2022. In order to participate in the GEMT program, the Village must enter into an Intergovernmental Agreement with the Illinois Department of Healthcare and Family Services (HFS) for reimbursement of unrecovered costs of ambulance transports through Medicaid.

## **PROCESS**

Medicaid payment rates for ambulance transport services are often 70% less than the actual cost of providing those services. An average Medicaid payment is \$120 per ambulatory transport, although the true cost to provide the service is many times this amount. Currently, the State reimburses municipalities a miniscule set amount for Medicaid transports, regardless of the actual cost of providing those services. Through this program, the federal government will pay to the State the difference between the set amount and the actual costs incurred for the Medicaid transports. When the State receives the funds from the federal government, they will forward the difference to the Village, then bill us for 50% of what is collected. The Village will keep the other 50%. The attached IGA and application will be submitted to the Illinois Department of Public Health by October 1, 2023, if approved by the Village Board.

## **OUTCOME**

We anticipate that the net revenue in the current fiscal year will be approximately \$400,000, after the 50% share due back to the State of Illinois has been deducted.
