Re: Request for Economic Price Adjustment re. Street Sweeping Program

February 1, 2025

Explanation and supporting information: Advance Sweeping Services Inc., is requesting the price adjustment of 3.9% based on the increased cost of delivering services.

The all-items category has gone up by 3.9% from December 2023 to December 2024. Therefore, the proposed price increase is justified by our need to accommodate changes to our direct costs and is based on the data reflected in the *Chicago Area Price Consumer Price Index – All (CPI-U)*¹

Item No.	Description	Current Price	Proposed Price
1	Residential Sweeping Cycle	\$8,366.66	\$8,692.96
2	Commercial Sweeping Cycle	\$833.33	\$865.83
3	Spot Cleaning Per Sweep	\$666.67	\$692.67
4	Regular Hours	\$194.44	\$202.02
5	Overtime Hours	\$250.00	\$259.75

We ask that the above adjustment take effect by May 1, 2025.

Thank you for your consideration.
