

Mayor Rich Hofeld
2020 Chestnut Road
Homewood, IL 60430

Dear Mayor Hofeld,

This letter is a request for a Class 12 liquor license from the Village of Homewood for the business Blue Pearl Candles in Homewood to be opened at 2052 Ridge Road, Homewood, IL.

Blue Pearl Candles is an upscale boutique studio where patrons come together create candles, Body oil and drink wine, often referred to as "candles and cocktails". It caters to a portion of society, women looking for a fun and creative alternative to the traditional bar scene environment. Unlike pop-up only companies, our warm inviting studio offers a BYOB experience that allows customers to enjoy a less expensive yet more memorable night out.

We define our market as an entertainment service aimed primarily at women. We offer a wide spectrum of events such as girl's night out, date nights, birthday parties (adults and children), corporate team building and bachelorette parties. "Blue Pearl Candles" will be open 5 days a week, Tuesday – Friday from 1:00 p.m. till 7:00p.m. Saturdays and Sundays will be open from 12:00pm till 7:00pm p.m. The owners and employees will be Illinois Basset trained.

Sincerely,

Kimberly Rowe
