

STANDARDS FOR:
SPECIAL USE

2020 Chestnut Road, Homewood, IL 60430

Street Address: 2139 W 183rd _____	Homewood, IL 60430
Requested Use: Salon & Suites _____	Area: _____ 1885 sq. ft.
Business Name: Lux3LoczLLC _____	
Applicant Name: Diamond Rowels _____	Date: 01/02/2025 _____

Provide responses to each question below using complete sentences and specific to the proposed business and selected location.

The Planning and Zoning Commission and Village Board shall consider the following responses to the Standards for a Special Use in evaluating the application. No one is controlling.

1. Is the special use deemed necessary for the public convenience at this location?

Describe why this location is best-suited for your business to serve the community.

This is Best for my business because it's right next to a dominos where I know it will bring in foot traffic and it's placed on a street that is busy as well. The traffic in this area would be great for my salon space because my business can thrive on walk ins

2. Will the special use detrimental to the economic welfare of the community?

Will the business have a negative impact on other businesses?

My business shouldn't have a negative impact on my neighbors it should actually help my neighbors

3. Will the special use be consistent with the goals and policies of the Comprehensive Plan and other adopted plans of the village?

Describe how your business fits with the goals and policies summarized on the attached sheet.

My business will bring in more business for other retailers or restaurants because when my customers come in and visit my salon space they will possibly want to spend money on other business near by

4. Is the special use so designed, located, and proposed to be operated, that the public health, safety, and welfare will be protected?

Describe any negative impacts, external to your business, that may result from it operating at this location.

One negative could be if the location doesn't have proper ventilation it could mess with visitors coming in and out however the beauty and wellness professionals strive on health as we practice heavy sanitation rules that are required by state board

5. Is the special use a suitable use of the property, and without the special use, could the property be substantially diminished in value?

Describe why your business is best-suited for your this property.

This space is zoned B2 and would be perfect for mixed used business.

- 6. Will the special use cause substantial injury to the value of other property in the neighborhood in which it is located?

Will your business decrease the value of other properties?

My business should not decrease the value of any other business as it should help every business around me and we work together

- 7. Will the special use be consistent with the uses and community character of the neighborhood surrounding the subject property?

Describe how your business is compatible with its neighbors.

I m neighbors with gas stations , retail stores & restaurants also neighboring homes
My salon should bring more business to places around me

- 8. Will the special use be injurious to the use or enjoyment of other property in the neighborhood for the purposes permitted in the zoning district?

Describe any negative impacts, external to your business, that may result from it operating at this location.

My special use shouldn t impact other business negatively

- 9. Will the special use impede the normal and orderly development and improvement of surrounding properties for uses permitted in the zoning district?

Describe any negative impacts, external to your business, that may result from it operating at this location.

My business shouldn't have any impacts on other businesses externally

- 10. Does the proposed special use at the subject property provide adequate measures of ingress and egress in a manner that minimizes traffic congestion in the public streets?

Describe how will customers get to and from your business.

Most of my clients drive , some of my clients take public transportation other clients take ride shares

- 11. Is the subject property adequately served by adequate utilities, drainage, road access, public safety and other necessary facilities to support the special use?

A new business going into an existing development, may answer 'no.'

Yes

- 12. Will the special use have a substantial adverse effect on one or more historical, archaeological, cultural, natural or scenic resources located on the parcel or surrounding properties?

A new business going into an existing development, may answer 'no.'

No

1999 COMPREHENSIVE PLAN

Below is an excerpt of the 1999 Comprehensive Plan containing those goals and objectives related to land use and community economic development which may be informative in the evaluation of special use permits.

Goal 1 - Land Use and Community Economic Development

Promote development of all remaining undeveloped property within the Village of Homewood for sound and orderly residential, commercial, and industrial development consistent with the Comprehensive Plan and the Future Land Use Map.

Objectives

- 1.1 - Recruit additional appropriate retail and industrial development for designated vacant commercial and industrial areas shown on the Future Land Use Map [current zoning map].
- 1.2 - Prepare a streetscape right-of-way plan for 183rd Street from the intersection of Dixie Highway to Governor's Highway to establish commercial "entryways" into the downtown central business district.
- 1.3 - Complete a plan to assess the potential for the Downtown to serve as a regional entertainment and "upscale" shopping district, serving residents within a 10-mile radius.
- 1.4 - Establish a transition zone surrounding the current downtown where, depending on market timing, changes in zoning from residential to commercial or mixed-uses would be favorably considered depending on specifics of the proposal.
- 1.5 - Complete an assessment of the success of the recent parking improvement actions to provide additional parking in the downtown and, if warranted, study the need and location of additional parking- both surface and elevated.
- 1.6 - Establish guidelines for appropriate mixed-use downtown development, including parking requirements, acceptable uses, and Village financing assistance (if deemed appropriate).
- 1.7 - Implement municipal utility improvements, especially storm water improvements, sidewalk construction/ replacement, streetscape, street tree plantings, and signage improvements.

2009 DOWNTOWN MASTER PLAN

Below is an excerpt of the 2009 Downtown Master Plan containing the objectives of the Master Plan. The Downtown Master Plan generally encompasses those areas zoned B-1 and B-2.

Master Plan Objectives

- » Sustain and enhance Downtown Homewood as a regional draw for the South Suburbs.
- » Encourage mixed-use development of key opportunity sites to create a more active "18-hour" downtown.
- » Increase commercial development to provide more goods and services for residents and visitors.
- » Increase commercial development to enhance the economic base of the Village.
- » Increase residential densities throughout Downtown to support transit use and new commercial activity.
- » Increase use of the Amtrak and Metra stations.
- » Encourage new residential development that provides a wider range of housing products in the Village, including apartments, condominiums, townhomes, and senior housing.
- » Enhance and increase open space within Downtown.
- » Significantly improve physical conditions by expanding streetscape improvements to all Downtown blocks, upgrading street furniture, and improving the pedestrian tunnel and viaducts under the tracks.
- » Improve pedestrian and vehicular access and circulation.
