### **Introduction**

The Village Board of Trustees has sought to pursue the creation of a mural on a pedestrian passageway in Downtown Homewood.

The Village has sought the work of Nate Otto, a Chicago-based muralist, as an artist to commission to create this mural.

### **Recommended Appearance Commission Action**

Staff asks that the Appearance Commission provide feedback on the <u>design</u> of the proposed mural.

Section 2-362.(i) of the Village Code of Ordinances states that the Appearance Commission should provide feedback for all exterior public improvement projects at a public meeting before final approval by the Village Board of Trustees.
