This Agreement is made and entered into on the date next to the signature of the respective parties, by and between the Villages of Burnham, Calumet City, Country Club Hills, Dolton, East Hazel Crest, Flossmoor, Glenwood, Harvey, Hazel Crest, Homewood, Lansing, Lynwood, Markham, Matteson, Munster, Oak Forest, Park Forest, Phoenix, Richton Park, Riverdale, South Holland, Thornton, and Tinley Park referred to throughout this agreement as the "Cooperating Municipalities."

WHEREAS, Article VII, Section 10 of the Illinois Constitution authorizes units of local government to contract or otherwise associate among themselves in any manner not prohibited by law or ordinance; and,

WHEREAS, the "Intergovernmental Cooperation Act", 5 ILCS 220/1 et seq., provides that any power or powers, privileges or authority exercised or which may be exercised by a unit of local government may be exercised and enjoyed jointly with any other unit of local government; and,

WHEREAS, Section 5 of the Intergovernmental Cooperation Act, 5 ILCS 220/5, provides that any one or more public agencies may contract with any one or more public agencies to perform any governmental service, activity or undertaking which any of the public agencies entering into the contract are authorized by law to perform, provided that such contract shall be authorized by the governing body of each party to the contract; and,

WHEREAS, the Cooperating Municipalities have determined that it is in their best interests to enter into this Agreement to secure to each the benefits of Automatic-aid in fire protection, firefighting and protecting life and property from an emergency or disaster; and,

WHEREAS, the Cooperating Municipalities have determined that it is in their best interests to jointly provide for communications procedures, training and other necessary functions to further the provision of the protection of life and property from an emergency or disaster; and,

WHEREAS, the Cooperating Municipalities have determined that it is in their best interests to include in this Automatic Aid Agreement provisions for the same mutually beneficial Auto Aid as it relates to Emergency Medical Services (EMS). The provision of EMS shall conform to Illinois Department of Public Health (IDPH) Region 7 and South Cook County guidelines for participation. EMS calls account for a majority of our calls for service and continue to tax our response capabilities.

NOW, THEREFORE, in consideration of the foregoing recitals and the covenants contained herein, the Cooperating Municipalities agree:

Section One – Purpose

It is recognized and acknowledged that in certain situations, such as, but not limited to, emergencies, natural disasters and man-made catastrophes, using an individual Municipality's personnel and equipment to perform functions outside the territorial limits of the Municipality is desirable and necessary to preserve and protect the health, safety and welfare of the public. It is further acknowledged that in certain situations, such as the aforementioned, the use of other Municipality's personnel and equipment to perform functions within the territorial limits of a Municipality is desirable and necessary to preserve and protect the health, safety and welfare of the public. Further, it is acknowledged that the coordination of Automatic-aid through a formal agreement is desirable for the effective and efficient provision of emergency services.

Section Two – Definitions

For the purpose of this Agreement, the following terms as used in this agreement shall be defined as follows:

- A. "Cooperating Municipalities": The Villages of Burnham, Calumet City, Country Club Hills, Dolton, East Hazel Crest, Flossmoor, Glenwood, Harvey, Hazel Crest, Homewood, Lansing, Lynwood, Markham, Matteson, Munster, Oak Forest, Park Forest, Phoenix, Richton Park, Riverdale, South Holland, Thornton, and Tinley Park;
- B. "Stricken Municipality": A Cooperating Municipality requesting Automatic-Aid if an emergency occurs:
- C. "Aiding Municipality": A Municipality furnishing equipment, personnel, and/or services to a Stricken Municipality;
- D. "Emergency": An occurrence or condition in a Municipality's territorial jurisdiction resulting in a situation of such magnitude and/or consequence that it cannot be adequately handled by the Stricken Municipality and such that a Municipality determines the necessity and advisability of requesting aid.

Section Three – Authority and Action to Effect Automatic Aid

- A. The Cooperating Municipalities authorize and direct their respective Fire Chief or designee to take necessary and proper action to render and/or request Automatic-Aid from other Cooperating Municipalities according to the terms of this Agreement. The aid rendered shall be to the extent of available personnel and equipment not required for adequate protection of the territorial limits of the Aiding Municipality. The judgment of the Aiding Municipality's Fire Chief or designee shall be final as to the personnel and equipment available to render aid.
- B. Whenever an emergency occurs and conditions are such that the Fire Chief or his designee of the Stricken Municipality determines it advisable to request aid pursuant to this Agreement he shall notify all Cooperating Municipalities of the nature and location of the emergency and the type and amount of equipment and personnel and/or services requested from the Aiding Municipality.

- C. The Fire Chief or designee of each Aiding Municipality shall take the following action immediately upon being requested for aid:
1. Determine what equipment, personnel and/or services are requested by the Stricken Municipality;
 2. Determine if the requested equipment, personnel, and/or services can be committed in response to the request from the Stricken Municipality;
 3. Dispatch immediately the requested equipment, personnel and/or services, to the extent available, to the location of the emergency reported by the Stricken Municipality;
 4. Notify the Stricken Municipality if any or all of the requested equipment, personnel and/or services cannot be provided.

Section Four – Jurisdiction over Personnel and Equipment

Personnel dispatched to aid a party under this Agreement shall remain employees of the Aiding Municipality. Personnel rendering aid shall report for direction and assignment at the scene of the emergency to the Fire Chief or Senior Officer of the Stricken Municipality. The party rendering aid shall at all times have the right to withdraw any and all aid upon the order of its Fire Chief or designee; provided, however, that the party withdrawing such aid shall notify the Fire Chief or Senior Officer of the party requesting aid of the withdrawal of such aid and the extent of such withdrawal.

Section Five – Calls for Service While Rendering Automatic Aid

- A. When aid is requested from Cooperating Municipalities, the Fire Chief or Designee of the Stricken Municipality may also request assistance from MABAS to stage equipment and personnel from departments other than the Cooperating Municipalities as necessary.
- B. While the Cooperating Municipalities are rendering aid, personnel and equipment provided by MABAS shall backfill and respond to all subsequent calls for service to the Cooperating Municipalities as necessary.

Section Six – Compensation for Aid

Equipment, personnel, and/or services provided under this Agreement shall be at no charge to the party requesting aid; however, any expenses recoverable from third parties will be equitably distributed among responding parties. Nothing herein shall operate to bar any recovery of funds from any state or federal agency under any existing statutes.

The providing department will be entitled to bill patients transported by their ambulances and personnel according to their municipality's normal billing procedure and the providing municipality will be entitled to maintain the full value of the revenue received from the patient transport.

Section Seven – Insurance

Each party will procure and maintain, at its sole and exclusive expense, insurance coverage as follows:

- A. Commercial General Liability: \$1,000,000 combined single limit per occurrence for bodily injury and property damage and \$1,000,000 per occurrence for personal injury. The general aggregate shall be twice the required occurrence limit. Minimum General Aggregate shall be no less than \$2,000,000.
- B. Automobile Liability: \$1,000,000 combined single limit per accident for bodily injury and property damage.
- C. Workers' Compensation and Employers' Liability: Workers' Compensation coverage with statutory limits and Employers' Liability limits of \$500,000 per accident.

No party will have any obligation to provide or extend insurance coverage for any of the items enumerated herein to any other party or its personnel. The obligations of the Section may be satisfied by a party's membership in a self-insurance pool, a self-insurance plan or arrangement with an insurance provider approved by the state of jurisdiction.

Section Eight – Indemnification

Each party agrees to waive all claims against all other Cooperating Municipalities for any loss, damage, personal injury, bodily injury or death in consequence of performing Automatic-Aid; provided, however, that such claim is not a result of gross negligence or willful misconduct by a party or its personnel.

Each party requesting or providing aid under this Agreement expressly agrees to hold harmless, indemnify and defend the party rendering aid and its personnel from any and all claims, demands, liability, losses, suits in law or in equity made by a third party. This indemnity shall include attorney fees and costs that may arise from providing aid under this Agreement. Provided, however, that all employee benefits, wage and disability payments, pensions, worker's compensation claims, damage to or destruction of equipment and clothing, and medical expenses of the party rendering aid will be the sole and exclusive responsibility of the respective party for its employees, provided, however, that such claims made by a third party are not the result of gross negligence or willful misconduct by the party rendering aid.

Section Nine – Non-Liability for Failure to Render Aid

The rendering of assistance under this Agreement shall not be mandatory if local conditions of the Aiding Municipality prohibit response. The Aiding Municipality will immediately notify the Stricken Municipality of the Aiding Municipality's inability to respond; however, failure to immediately notify the Stricken Municipality of such inability to respond shall not constitute evidence of noncompliance with this section and no liability may be assigned.

No liability of any kind or nature shall be attributed to or be assumed, whether expressly or implied, by a party, its duly authorized agents and personnel, for failure or refusal to render aid. Nor shall there be any liability of a party for withdrawal of aid once provided under this Agreement.

Section Ten – Term

This Agreement shall be in effect for a term of one year from the date of signature and will automatically renew for successive one-year terms unless terminated in accordance with this Section.

Any party may terminate its participation in this Agreement at any time, provided that the party wishing to terminate its participation in this Agreement shall give written notice to the remaining Cooperating Municipalities specifying the date of termination, such notice to be given at least 90 calendar days prior to the specified date of termination of participation. The written notice provided herein shall be given by personal delivery or certified mail.

Section Eleven – Effectiveness

This Agreement shall be in full force and effective upon approval by the Cooperating Municipalities in the manner provided by law and upon proper execution.

Section Twelve – Binding Effect

This Agreement will be binding upon and inure to the benefit of any successor entity which may assume the obligations of any party, provided, however, this Agreement may not be assigned by a Cooperating Municipality without prior written consent of all other Cooperating Municipalities.

Section Thirteen – Validity

The invalidity of any provision of this Agreement will not render invalid any other provision. If any provision is determined by a court of competent jurisdiction to be invalid or unenforceable, that provision will be deemed severable and this Agreement may be enforced with that provision severed or modified by court order.

Section Fourteen – Notices
