Dear Mr. Burman:

The Illinois Department of Transportation, on behalf of the State of Illinois, intends to enter into an Intergovernmental Agreement ("Agreement") for Maintenance of Municipal Streets with your municipality. The scope of work, including the roadways covered in this Agreement, is listed in Part 5. This will replace our previous ten-year Agreement which expires on June 30, 2025.

Part 5 includes a clause to allow modifications to the location listing as appropriate and as mutually agreed to by both parties. Any modifications shall be in writing and must be approved by the Regional Engineer or his or her designee on behalf of IDOT and by the PUBLIC WORKS DIRECTOR on behalf of the Governmental Body authorized to approve these modifications.

Updated Computation Sheets for the period of July 1, 2025, to June 30, 2026, are included with the contract. The adjustment factor used to determine the rates is based on the 1.60% increase published by the Engineering News Record. **The annual payment for your city will be \$100,908.00.**

Please review and sign the attached two copies of the Agreement, and return to Jacek Ejmont, D1 Maintenance Contracts Engineer, Illinois Department of Transportation, 201 W.
