**STAFF REPORT**  
For the Meeting of January 13, 2025

**Title/Subject**

Resolution 2352- ODOT ADA Curb Ramp IGA Amendment

**Summary and Background**

This IGA is a typical requirement from ODOT as they go through and upgrade ADA ramps along their state highway facilities in a community. The IGA has already been approved by City Council, but this resolution approves several minor amendments. The changes remove any reference to Highway 730, and updates the cost of the project now that a contract has been awarded. To be clear, there is no financial obligation on the part of the City of Hermiston associated with this project. All project costs are the responsibility of ODOT.
