All public works employees, except department heads and all employees working on a temporary or parttime basis, shall be paid the hourly equivalent of the monthly salary of the position class and step number in which they are employed, based upon the actual number of hours worked, computed as follows:

(a) Number of hours in the employing department's work week multiplied by 52 weeks equals the number of hours per year.

(b) Present monthly salary of employee multiplied by 12 months equals' annual equivalent of monthly salary.

(c) Annual equivalent of monthly salary divided by the number of hours per year equals hourly equivalent of monthly salary
