Cimarron Park Renaming Discussion

- **Led by:** Brandon Artz
- **Update:** No significant progress on playground construction; bidding planned for fall or early winter due to seasonal pricing concerns.
- **Naming Proposals:**
 - Considered names: Sherman Park, Studebaker Park, Jackrabbit Flat.
 - Community survey indicated preference for naming after a person, with Sherman and Studebaker as top contenders.
 - **Sherman Park Advocacy:** Carlisle Harrison highlighted Rick Sherman's 50+ years of community service, including Christmas Express, Shriners Hospital support for 300+ children, and 20+ years as fire board chairman (pro bono).
 - **Studebaker Park:** Suggested by the police chief due to Randy Studebaker's popularity, but not strongly pushed. Concerns raised about eligibility under park naming criteria (long-term, pro bono contribution).
 - **Criteria Discussion:** Policy allows naming after living persons if they meet contribution standards or donate significantly to the park. Studebaker deemed ineligible by some due to his 10-year paid employment.
 - **Concerns:** Jackie Myers suggested avoiding naming after recent or living persons to prevent contention. Some resistance to re-surveying the community, as prior input favored a person's name.
 - **Outcome:** Motion by Carlisle Harrison, seconded by Doug Minton, to nominate Sherman Park. Committee voted in favor of Sherman Park, to be forwarded to City Council for final approval.

Forestry Grant and Tree Inventory

- **Update by:** Brandon Artz
- Funding uncertainty with USDA grant through River Network; some pass-through partners cut off.
- Plan to maximize fund use with Arbor Pro for tree inventory and urban forest plan (~\$100,000 contract, 10% of \$1M grant).
- Invoicing every two weeks to secure reimbursements; conservative approach to avoid financial risk if funds are cut.
