**Special Event Permit Fees**

The Hermiston Parks & Recreation Department welcomes community events in our parks and facilities. A Special Event Permit ensures events are properly coordinated, safe for participants, and that park resources are protected. Permit fees help offset staff time associated with reviewing, coordinating, and monitoring events, including coordination and potential cleanup by Parks Maintenance staff.

A Special Event Permit is required for organized events held in City parks, regardless of whether admission, registration, or participation fees are charged.

Events that require a permit typically include organized gatherings that reserve space, involve 25 or more participants, or require coordination with City staff.

Permits are required even if the event is free, if it involves a large, organized gathering or use of park space that requires coordination, oversight, or cleanup beyond normal park use.

Examples include (but are not limited to):

- ❖ 5Ks or Fun Runs
- ❖ Tournaments or Organized Competitions
