

2024 ANNUAL REPORT

Prepared by:
Jesalyn C. Cole

2024 HIGHLIGHTS

Stepping Stones Alliance (SSA) had a big year!

Thanks to the support of PATH, community partners, area organizations, local businesses, and countless individual supporters we can look back at MANY, BIG accomplishments.

January – Purchased shuttles with grant dollars; giving us independence in our transportation needs for guest pick up and drop off as well as member errands and appointments.

April – Moved on site in less than 12 hours.

May – Secured grant funding toward an outdoor common space for members and to purchase appliances for the Navigation Center.

June – Opened the Individual Shelter Units and Navigation Center for members.

August – Hosted a visit from Representative Marsh and other elected officials. Held our first fundraising raffle.

September – Hosted our first annual fundraising gala: Boots & Bling!

October – Selected for a solar panel project sponsored by AWS; installation began.

November – Received grant funding for recreational activities, the outdoor common space cooking area & pergola, and indoor fire suppression system for the Navigation Center kitchen stove.

December – Celebrated 2nd year of consecutive nights' service to guests in the Sleep Center!

SLEEP CENTER

The Sleep Center continues to offer a low barrier solution to those seeking overnight shelter and has been in continuous operation every night since opening in December Of 2023. Transportation is available from a pick-up location at 11th and Poplar or guests arrive independently. They are welcomed into the center, fed a basic evening meal, and given a safe place to sleep for the night. Breakfast is served in the morning before guests depart for the day. Transportation is offered back to the same location at 11th and Poplar.

Cindi Jorgensen
Sleep Center Coordinator

We continue to rely on volunteers to help with morning breakfast and guest check out as well as evening check in procedures. Meals are generously donated by individuals in the community, service organizations, local restaurants, and churches. Our guests are fortunate to have the support from so many.

In December 2023, we contracted overnight security services with Phoenix Protective Corporation. We continue utilizing their team and have been very pleased with the level of professionalism and increased safety this partnership has afforded. We combine staff training opportunities throughout the year to ensure consistency is happening.

SLEEP CENTER NUMBERS

With average nightly stays ranging from 6-16 guests on any given evening, the Sleep Center is offering a much needed service in the region. Over 4,000 overnight stays occurred in 2024.

Once a guest has stayed 14 consecutive nights at the Sleep Center he/she is qualified to transition into membership and works with our Navigation Director on next steps to get into an Individual Shelter Unit.

NAVIGATION CENTER

We were able to open our Navigation Center in June and have continued to build the services and resources available to members staying in the Individual Shelter Units.

Carolina Delgado
Navigation Center Director

Members set and work on goals while staying on campus. Some categories include: employment, housing, budgeting, physical health stability, mental health stability, substance use disorder treatment, obtaining documents and/or benefits. Each member works one on one with Carolina to set and progress on their individual goals. She works hard to link our members with the appropriate resources to meet with success.

Members have access and use of computers, washer/dryer, kitchen, and the group area that includes games, books, and puzzles. Staff is on hand daily to help with resume building, applications, etc. We also offer a shuttle schedule Monday-Friday for members to be able to run errands.

SUCCESS

success

suc·cess /sək'ses/

noun

1. the accomplishment of an aim or purpose.

Are we succeeding in our work?

How do we know?

With the help of your support, we are making an impact in the lives of those who need us. Here are a few examples of their successes.

One of our first members made the decision to enter a 2-month detox program and then moved into a half-way house. She was able to re-unite with her young child. That is success!

The first family that joined us as members right after we opened our Individual Shelter Units in June of this year were forced to leave their home when the landlord decided not to rent the property anymore. Dad had a steady job, mom stayed at home with the 2 kids, they had 2 vehicles...and all of a sudden they had no home and nowhere to go. They checked into a motel, but knew that finances would not allow them to stay very long. Mom began looking for resources and quickly found Stepping Stones. Carolina met with the family and put together a plan. They moved into one of the units and became contributing members while working with partner organizations to figure out next steps. Within 3 months we celebrated with the family as they moved out and into their own apartment.

There are more who have moved into housing, others who have found jobs and are saving money, a few who have established medical and mental health plans, some are working through probation requirements, and many have obtained housing vouchers and are on wait lists for permanent housing.

Yes, we are succeeding. The time and energy that members used to spend on finding food and worrying about shelter is now spent on next steps toward self-reliance and independence. Their focus has changed and their outlook includes hope. YOU are helping us make a difference and YOUR ongoing support impacts so many!

We couldn't do what we do without YOU!

SOURCES OF REVENUE

In 2024 we doubled our open hours from 12 hours/7 days a week at the Sleep Center to 24 hours/7 days a week to include the Navigation Center and ISUs. We also tripled our staff from 3 to 9 and added the security staffing. Thanks to every donation, small and large, we are able to offer necessary resources to our guests and members. Funding opportunities for future revenue are constantly being researched and explored. Grants, sponsorships, private donations, fundraising events are all being worked on as we continue to grow and add services.

Grant funding in 2024 financed outdoor common area concrete and furniture, outdoor trash cans, dog clean up stations, indoor and outdoor activity items, furniture and appliances in the Navigation Center, and overall operations.

NEXT STEPS

This second annual report takes us through the first full year of Stepping Stones Alliance and the progress that has been made. Our next steps and goals include:

- continued growth in partnerships with area resources
- financial sustainability and diversification of funding sources
- volunteer recruitment
- continued outreach through social media, community events, informational brochures, presentations
- street outreach
- assisting members in educational and/or vocational development
- teaching financial management and other life skills through the Navigation Center
- completing the outdoor common space with pavilion and cooking area
- planning for and implementing the next phase of Individual Shelter Units
- finishing the installation of solar panels
- completing the suppression system and installing the stove in the Navigation Center
