

Directors Report

July 2024

Renovation Project Timeline

July 29-31,	The City IT Department will begin moving out of the Carnegie building
July 31,	Last day open to the public in our current library.
August 1,	Close to the public Organize materials for move to Carnegie building Staff will be scheduled from 8 to 5.
August 5,	Movers with resources arrive and begin packing process for both the move to the Carnegie building and long-term storage. Shelving units will be moved into place in the Carnegie building, materials will be stored as appropriate. Staff will begin to organize for opening to the public.
August 8,	Movers expect to complete the move process.
August 19,	We plan to have the Carnegie prepared for public use.

Other Renovation Issues

Library Brick documentation is now in progress, this will likely take a few months.

A Renovation web site is being developed.
