

Where Life is Sweet

Mayor and Members of the City Council
STAFF REPORT
For the Meeting of May 28, 2024

Title/Subject

Parade/Right of Way (ROW) Closures Discussion

Summary and Background

This topic has been on our list to work on since we did the major revisions to our ordinances. It was something that we knew needed more discussion and major work, so we saved it for later. It came up again as we had a recent parade request. We have been doing research on various other city ordinances and coming up with ideas from the staff perspective. We wanted to have a discussion with the council before coming back with a first draft ordinance.

Below are the considerations we have explored:

- Fees
- Fixed Routes
- Insurance Requirements
- Grandfathering of Existing events
- Method of barricading
- Clean-up

We recognize that these might not have touched on everything so we are seeking other ideas.
