*Chapter 154: Subdivisions*

Final Plat

Per §154.46 of the Hermiston Code of Ordinances, the final plat shall show:

- (A) The boundary lines of the area being subdivided, with accurate distances and bearings. **Shown as required**
- (B) The lines of all proposed streets and alleys with their width and names. **Shown as required**
- (C) The accurate outline of any portions of the property intended to be dedicated or granted for public use. **Shown as required**
- (D) The line of departure of one street from another. **Shown as required**
- (E) The lines of all adjoining property and the lines of adjoining streets and alleys with their widths and names. **Shown as required**
- (F) All lot lines together with an identification system for all lots and blocks. **Shown as required**
- (G) The location of all building lines and easements provided for public use, services or utilities. **Shown as required**
- (H) All dimensions, both linear and angular, necessary for locating the boundaries of the subdivision, lots, streets, alleys, easements, and other areas for public or private use. Linear dimensions are to be given to the nearest 1/10 of a foot. **Shown as required**
- (I) All necessary curve data. **Shown as required**
- (J) The location of all survey monuments and benchmarks together with their descriptions. **Shown as required**
- (K) The name of the subdivision, the scale of the plat, points of the compass, and the name of the owners or subdivider. **Shown as required**

(L) The certificate of the surveyor attesting to the accuracy of the survey and the correct location of all monuments shown. **Shown as required.**

(M) Private restrictions and trusteeships and their periods of existence. Should these restrictions or trusteeships be of such length as to make their lettering on the plat impracticable and thus necessitate the preparation of a separate instrument, reference to such instrument shall be made on the plat. **No restrictions are proposed and none are referenced on the plat**

(N) Acknowledgment of the owner or owners to the plat and restrictions, including dedication to public use of all streets, alleys, parks or other open spaces shown thereon, and the granting of easements required. **Shown as required.**

(O) Certificates of approval for endorsement by the city council and certificate indicating its submission to the planning commission, together with approval for endorsement by other local, county and/or state authority as required by Oregon statutes. **Shown as required.**

#### Chapter 157: Zoning

##### §157.027 Medium-High Density Residential (R-3)

All the proposed lots are created in conformance with the requirements of the R-3 zone. All the proposed lots exceed the minimum lot size of 5,000 square feet. All proposed lots are at least 60 feet wide and 80 feet deep. The lot sizes proposed for the development exceed the minimum size required in the R-3 zone for multi-family dwellings. Uses permitted in the R-3 zone are listed in §157.027 of the Hermiston Code of Ordinances.

##### 157.043 Neighborhood Commercial Overlay (NCO)

The NCO zone does not have dimensional standards for lots. The lot sizes proposed for the development are adequate for multi-family dwellings. Uses permitted in the NCO zone are listed in §157.043 of the Hermiston Code of Ordinances.

##### §157.101 Development Hazard Overlay

Comprehensive Plan Figure 12 identifies portions of this subdivision as subject to groundwater pollution hazards due to excessively well-drained soils. In accord with 157.101 of the Hermiston Code of Ordinances, the City will prohibit the outdoor storage of hazardous chemicals and underground storage of gasoline and diesel fuels. Any additional requirements or prohibitions necessary to mitigate groundwater pollution problems must be developed in conjunction with the Departments of Environmental Quality and Water Resources. At the discretion of the planning commission, the applicant may obtain an exemption to the above requirements if a registered engineer presents documentation which demonstrates that the proposed development will not contribute to potential groundwater pollution.

*Conditions of Approval*

1. Applicant shall work with and receive certification from the Hermiston Irrigation District prior to final plat approval. Applicant should be aware that the City of Hermiston will not sign the final plat until the irrigation district has been satisfied and signs the final plat.
2. All conditions of approval from the June 12, 2025 site plan approval and July 11, 2025 conditional use approval shall remain in effect.
