

RESOLUTION NO. 2310

**A RESOLUTION ADOPTING THE REVISED CITY'S PUBLIC WORK
STANDARDS, TECHNICAL SPECIFICATIONS, AND STANDARD DRAWINGS
MANUAL**

WHEREAS, it is necessary for the health and safety of the residents of the city that all public improvements be built to a uniform standard design in accordance with the best practices of engineering; and

WHEREAS, the engineering firm of Anderson Perry & Associates, Inc. have reviewed the existing standard plans and specifications and determined that revisions to the city's Public Works Standards, Technical Specifications, and Standard Drawings manual are necessary to accommodate the changing patterns of development in the city; and

WHEREAS, the revised Public Works Standards, Technical Specifications, and Standard Drawings manual is attached hereto.

NOW, THEREFORE, THE CITY OF HERMISTON RESOLVES AS FOLLOWS:

1. That the attached revised Public Works Standards, Technical Specifications, and Standard Drawings manual is approved and adopted.
2. That this resolution is effective immediately upon its passage.

PASSED by the Common Council this 12th day of February 2024.

SIGNED by the Mayor this 12th day of February 2024.
