| A geographic feature               | <b>Horizon Park</b>   | Geography: Horizon Park (it's so flat in the area, you can see the Horizon from all angles)   |
| A geographic feature               | <b>Oasis Park</b>   | A beach theme for kids would be a nice. Even better, some small water features or splash area in the summer.  |
| A location                         | <b>Monte Park</b>   | Monte Vista is the builder for the area.  |
| A person                           | <b>Bob Severson Memorial Park</b>                                     | Bob was a huge community supporter and especially anything for kids! He would be so proud of the growth we've had, including new parks for our kids to create memories!   |
| A person                           | <b>Chuck Norris Park</b>  | After Oregon state representative Chuck Norris, commander of the Umatilla Army Depot, passed away in 2009.  |
| A person                           | <b>Frost Lane</b>   | One of the greatest bullriders and he deserves to be respected and recognized in our small rural town   |
| A person                           | <b>Kilby Park</b>   | To be named after the downed Officer  |
| A person                           | <b>VICTOR D PARK</b>  | It kinda sounds like, "victory," and is a name based on my best friend who isn't feeling the best currently   |
| A person                           | <b>Adrian B. Stump memorial park</b>                                  | We have a Army helicopter unit here locally and one of my fellow pilots was shot down in Afghanistan. Adrian Stump was his name and he was a part of this unit. I think honoring someone local who lost their life defending this country would be amazing.   |
| A plant or animal                  | <b>Cardo Ruso Park</b>  | Cardo Ruso is Spanish for tumbleweed!   |
| A plant or animal                  | <b>Lavender Park</b>  | include plants such as lavender to the park to increase the beauty of the area, provide scent-therapy, and support pollination. include plants that support being an edible garden such as mint, tyme, rosemary, chamomile, and echinachea. The purpose being to encourage people to take some home for use which I feel would be a great community benifite and draw.  |
| A plant or animal                  | <b>Sage Park</b>  |   |

|                                     |                               |   |
|-------------------------------------|-------------------------------|---|
| A plant or animal                   | <b>Seed Life Park</b>         | With recent developments and the continual promotion of the population and business growth, Hermiston has always reflected that ever growing change. We are known for our great community fellowship and we can continue to display that throughout our future parks and recreational facilities. The title, "Seed Life Park," can be viewed as a testimony of that statement. New homeowners and residents can have access to a new beautiful park in Hermiston. Where they can develop, have a sweet life, and continue to grow. Just as a planted seed does. |
| A plant or animal                   | <b>Sunflower Station</b>      | Because we have so many naturally occurring sunflowers and we could make sure it always had some (in season). It could have sunflower decorations and theme and would be super cute and bright.   |
| A plant or animal                   | <b>Verbena Park</b>           | I thought it went well with the street name Bella Vista. Verbena is a beautiful flower, a heat tolerant perennial and annual. Is within the Verbenaceae family, which contains approximately 150 species.   |
| A plant or animal                   | <b>Watermelon park</b>        | The watermelon branding of hermiston should be much more used than it already is.   |
| Attach name to new school           | <b>Loma Park</b>              | Easy to remember, close to new school   |
| Dance team for winning state a lot. | <b>Star Dust</b>              | The dance team represents Hermiston at state every year and does this town justice. I believe it would be a great honor to name this park after them.   |
| Honoring the past.                  | <b>Pioneer Park</b>           | The original settlers - those that invested and sacrificed everything, and to make this area bloom. Pioneer Park, or something along that line.   |
| Honoring the past.                  | <b>Veterans Memorial Park</b> |   |
| Q concept                           | <b>Friendship</b>             |   |
| Skyline park                        | <b>Skyline park</b>           | Looks over Hermiston  |
