

Directors Report

July 2026

Staffing

Director – Human Resources has informed me that the recruiter identified 4 candidates for consideration. Those candidates will be interviewed virtually and then the remaining process will be conducted locally. The 4 candidates are from New York, Maryland, Nevada and California, 3 are from public libraries and 1 has an academic background.

Candidates are being interviewed this week to fill the position that was vacated a few years ago. It is expected that they will start mid August.

SRP

Our SRP participation outpacing last year. Numbers so far are:

Babies through 1st grade: 168

2nd through 5th grade: 181

Teens: 106

Adults: 173

Total: 628

Last year at the end of the program we had a total of 528.

Panic Alarm Incident

On July 16, 2026, the panic alarm was triggered by a child at the downstairs service desk. No serious problems occurred; however, I will provide additional information for discussion during the board meeting.
