

HAPPY HOLIDAYS FROM OUR HOME TO YOURS

11/28/23

Greetings from La Veta Village!

As the holiday season approaches, we find ourselves reflecting on the incredible journey we've embarked upon and are humbled by the unwavering support of individuals, like yourself, who have been a beacon of hope for our cause.

We are excited to share the remarkable progress we've made toward helping seniors in the greater La Veta area. In October 2022, La Veta Village Assisted Living welcomed their first resident to its newly constructed 16-suite senior residence which provides around-the-clock health support, for activities of daily living, all meals and a variety social activities. After recent expansion of outreach efforts, La Veta Village Food Services now sponsors three programs focused on providing nutritious food to households in need and has surpassed distributing 100,000 meals to area families, 64% of whom are over age 60.

These achievements would not have been possible without your support and we invite you to consider making a donation to La Veta Village. As an example, your gift of \$350.00 will support a low income resident for one month, and \$23.00 will support one food box (40# food) equivalent to ~33 meals.

1. **Online Donation:** Visit our website at www.lavetavillage.org to make a secure online donation.

2. **Check or Money Order:** You can mail your donation to: La Veta Village, PO Box 143, La Veta CO 81055

3. **In-Person Donation:** Feel free to visit our facility to make a personal donation. Our caring team would be delighted to welcome you and express their gratitude for your support.

****For all donations, please note if you would like to designate a specific program (La Veta Village Assisted Living or La Veta Village Food Services)**

We deeply appreciate your consideration and value any contribution you are able to make. Your generosity directly supports the well-being and happiness of the significant aging adult population (33%) in and around La Veta, and is tax deductible, too!

Thank you for being a vital part of our mission.

Warm regards,

Pat Nettlesheim, President
