Huerfano County Building Authority Board (HCBA) Staff Report

Reason this is coming to the Board:

Sleeper- Permit # 20-056 is ready to be renewed

Currently:

Mr. Sleeper's basing his build off his social security check, so it is going slow but he is keeping a steady progress. At this point, he is in the middle of plumbing and electrical inspections. I did talk to Luke Hanson (State Electrical Inspector), who is also working with him to help him along with his house.

Huerfano County Building Regulations:

Key Considerations:

He is making steady progress and is keeping in touch with all of the agencies to make sure he is doing things right.

Staff Thoughts/Comments:

I see no reason to keep from renewing his permit at this time.
