RECRUIT

THE RECRUIT MODULE

automates hiring by centralizing the process of attracting applicants, screening them, and landing a qualified hire that's productive on day one, while ensuring compliance.

One of the main challenges in public sector HR is building and maintaining a highly qualified workforce. NEOGOV's Recruit module cohesively integrates a public sector-specific job board, applicant tracking system, and onboarding solution to deliver a faster, more efficient, and compliant recruitment process.

The NEOGOV platform combines 4 modules – Recruit, Develop, Manage, and Comply – to automate and support the entire public sector employee lifecycle.

NEOGOV

INSIGHT

RECRUIT

Applicant tracking software helps you attract and hire high quality candidates, complete with compliance reporting.

TRANSFORM HIRING WITH THE LEADING – *applicant tracking system* – FOR THE PUBLIC SECTOR

Built to serve the public sector, NEOGOV's applicant tracking system automates the hiring process and meets compliance requirements, reducing time to hire. With easy-to-use job application templates and an applicant self-service portal, Insight makes it easier to find and hire more qualified candidates.

With Insight, HR teams can quickly and easily manage all applicants and access recruitment data throughout the application process. List open positions on your company website and accept online applications, while ensuring ADA/Section 508 Compliance. Ensure compliance with the built-in, auditable, and legally defensible hiring process, complete with reporting on applicants, applicant flow, EEO, adverse impact, and passpoint analysis.

Integrated with NEOGOV's online job board GovernmentJobs.com, Insight allows you to broaden your reach by advertising to job seekers nationwide. Show your agency in the best light with a customized Career Page that lets candidates find your job openings and submit online applications.

CREATED FOR YOU *and your candidates*

- ✓ Public Sector Focus
- ✓ Compliance & Fairness Automation
- ✓ Decreases Time to Hire
- ✓ Automates Recruiting and Hiring

HIGHLIGHTED FEATURES

CANDIDATE SCORING

As candidates apply, Insight pre-screens them using auto-scoring to highlight the best candidates. By showing weighted scores and rankings based on screening protocols, tests, and interviews, Insight helps you narrow candidates down and find the best fit.

- Configurable screening hurdles and weights
- Customize scoring rules to rank candidates
- Generate and manage your ranked eligible list

COMPREHENSIVE REPORTING

Insight's easy-to-navigate reports and dashboards help optimize the hiring process by offering data visualization and analysis. With Insight you get more than 90 standard reports, advanced ad-hoc reporting, adverse impact statistics, and dashboards that help you make more informed hiring decisions. Monitor job health and boost job postings to increase your exposure and reach more candidates.

- See real-time applicant flow and job posting health and boost jobs that are not attracting enough candidates
- Perform passpoint analysis to ensure hiring does not result in adverse impact
- Analyze recruitment timelines to identify opportunities to reduce your time to hire

CANDIDATE SELF-SERVICE PORTAL

Maintain transparency and streamline communication for both the applicant and HR with an online self-service portal. Save time by giving applicants the ability to check the status of their application and self-schedule written exams, oral panel interviews, and performance tests.

- Allow candidates to monitor where they are in the application process
- View all email notifications sent by the employer in the job seeker inbox
- Access complete application history for all jobs the candidate has applied for

“Besides making everything a lot easier, what I value most is that NEOGOV listens to the users and implements our ideas.”

MODERNIZING FOR TODAY'S APPLICANT

Enhance both the applicant and staff experience by eliminating paper and automating processes. In today's age of technology, Insight helps your organization stay up-to-date.

- ✓ Integrate job postings with GovernmentJobs.com
- ✓ Configure online job application forms
- ✓ Ask job-specific supplemental questions to better screen applicants
- ✓ Avoid incomplete applications with required fields

86% of job seekers would use their smartphone to apply for a job.

Integration: BACKGROUND CHECKS

Accelerate the hiring process by integrating Insight with one of NEOGOV’s recommended background check partners.

Insight’s background check integration shortens time to hire, provides accurate information about candidates, and ensures compliance with public sector hiring laws. Set up processes online to decrease the amount of time spent routing paperwork manually. Shorten the time required to complete background checks by up to 35% and see a cost savings of up to 15% per candidate.

Give candidates and hiring managers visibility into the status of applications as they move through the background check process.

The system is built to meet compliance requirements for EEOC and FCRA. Generate more accurate background reports and field fewer candidate disputes. Our integration partners report a 10x lower dispute rate compared to manual background checks.

- Shorter time to hire
- Lower risk of noncompliance
- Visibility for HR, hiring managers, and candidate

NEOGOV

ONBOARD

RECRUIT

Onboarding software ensures day-one readiness for new employees, accelerates productivity, and helps you keep your hires longer.

STIMULATE PRODUCTIVITY – *by empowering new hires to* – BE PRODUCTIVE BEFORE DAY ONE

NEOGOV's onboarding software, Onboard, enables new hires to become more productive before their first day on the job by streamlining new hire paperwork, processes, and training on an easy-to-use platform. Assign checklists to your new hires prior to their start date and create forms specific to employees, groups, or departments. Set up required fields to ensure forms are properly completed by new hires.

Assign employees their own accounts with unique credentials with built-in authentication and security. New hires can complete I9 and W4 forms online in minutes, and HR can easily initiate and complete E-Verify checks. Employees can even electronically sign forms.

Attracting a great candidate is only the first step. Engaging them after they've been hired is key to making them successful. Effectively onboarding new hires helps them to be productive and engage immediately.

CREATED FOR YOU *and your employees*

- ✓ Creates a transparent process for agencies and applicants
- ✓ Automates onboarding tasks
- ✓ Increases productivity and engagement

HIGHLIGHTED FEATURES

Make a great first impression, convey your organization’s culture, and get your new hires fired up. The public sector has unique hiring needs and Onboard was specifically created to fill those requirements. Onboard’s robust form builder, templates and global form bank, and employee portal are just a few of the ways Onboard supports HR and new hires.

MORE THAN JUST ONBOARDING

Onboard goes beyond onboarding, with the capability to handle pre-boarding and offboarding.

- Seasonal hiring capability

TEMPLATES & GLOBAL FORM BANK

Onboard’s form builder allows you to drastically reduce paper forms for new hires. HR can create forms from scratch, use existing form templates, or select from a library of forms being utilized by other public sector agencies. HR can customize any template to make it fit their specific process.

- Library of form templates from other public sector agencies
- Customizable, editable templates
- Adaptable, not one-size-fits-all

EMPLOYEE PORTAL

Onboard’s portal helps to communicate organizational culture, provide job clarity, and stay compliant. Clearly spell out onboarding deadlines while giving new hires the freedom to complete required forms at their convenience, leaving more time for HR to engage with their new hires. Configure your new hire portal with checklists and interactive widgets to facilitate structure and collaboration while providing new hires with vital documents, trainings, and videos.

- Communicate relevant training information to new hires
- Share your organization’s mission and values

“It’s nice to be able to give the new employee information before they start. They get excited to get started & learn more about us.”

MANAGE

COMPLY

RECRUIT

DEVELOP

THE DEVELOP MODULE

helps HR teams build a more capable workforce by empowering managers with professional development tools and customized training programs that support employees and maintain organizational compliance.

Between retiring baby boomers, high turnover rates among younger generations, and a strong job market, it is becoming increasingly necessary for the public sector to adopt continuous and effective performance management to increase retention.

With robust, configurable evaluation functionality, and an integrated learning management solution, the Develop Module allows agencies to groom employees and position them for growth within the organization.

The NEOGOV platform combines 4 modules – Recruit, Develop, Manage, and Comply – to automate and support the entire public sector employee lifecycle.

NEOGOV

PERFORM

DEVELOP

Performance management software nurtures communication, identifies and promotes employee strengths, and establishes a sense of purpose.

TRACK EMPLOYEE PERFORMANCE – *and provide constructive feedback to* – BUILD A MORE CAPABLE WORKFORCE

NEOGOV's employee evaluation software, Perform, is the only full-featured performance management software in the marketplace with specific public sector functionality and a mobile-friendly interface. Perform automates annual and probationary employee evaluations, allowing your HR team to automate the process of identifying skill gaps and areas of improvement in their employees.

Perform is an integrated performance tracking solution that works seamlessly with NEOGOV's Onboard, Insight, and Learn. Use Perform to provide continuous feedback to your employees based on desired competencies established by your organization. Create employee or role-specific criteria for measuring performance, identify areas for growth, and schedule regular check-ins to see how employees are progressing. Avoid recency bias by regularly adding confidential journal entries to help you compose annual performance reviews.

Discover the best performers within departments and those that need more support using one-on-one performance reviews and employee self-rating. Generate individual development plans and recommend trainings based on an employee's competency scores.

CREATED FOR YOU *and your employees*

- ✓ Automate employee performance review processes
- ✓ Increase transparency and engagement between employees and managers
- ✓ Pinpoint shortcomings and growth opportunities for professional development

HIGHLIGHTED FEATURES

PUBLIC SECTOR-FOCUSED

Designed specifically for the public sector, Perform includes multiple features to ensure compliance and accommodate different processes based on each department's requirements.

- Automatically adds shift managers to public safety evaluations
- Multiple managers can collaborate on a single evaluation
- Generate automatic employee acknowledgment tasks
- Handles varying frequencies and approval workflows to maintain efficiency

REPORTING & DATA

With Perform's reports and dashboards, analyze individual employee, team, or departmental data to identify skill gaps across the agency and optimize employee development based on common themes.

- Easily analyze data and identify bottlenecks in the evaluation process
- Track status of performance review completion across managers & departments
- Measure goal achievement progress and determine where additional training is needed within the organization
- Quickly identify employees eligible for a merit increase

CONTINUOUS FEEDBACK

Perform allows for continuous communication with employees regarding manager feedback and goal tracking through email notifications, mobile or desktop journals, and scheduled and recurring check-ins. Managers can complete journal entries throughout the year to document performance and refer back during performance reviews.

- Schedule periodic check-ins to provide feedback and track goal progress
- Implement PIPs (performance improvement plans) and electronically document every step of the process
- Managers can refer to journal entries and check-ins to expedite ratings

“The ease & flexibility of having performance evaluations online has been a huge factor that generates feedback from employees.”

NURTURE EMPLOYEE DEVELOPMENT

Employee development is critical for the public sector. As baby boomers exit the workforce, public sector organizations are struggling to fill the positions that are opening.

According to NEOGOV's *2019 Job Seeker Report*, only 31% of public sector applicants listed Career Advancement as an attractive quality of the sector.

By conducting performance evaluations, HR can help nurture the career and skill development of teams, and ultimately improve the appeal of public sector employment.

IMPLEMENTATION

DISCOVERY

5 Weeks

KICK-OFF Discovery sets the stage for the implementation by scoping the work needed, creating the timeline, and establishing expectations. Project resources are also assigned, including staff assignments and project management materials. Discovery for all purchased products happens at the same time.

PHASES 1 & 2 CONFIGURATION

6-8 Weeks

SCOPE Meet with Implementation Consultant (IC) Team weekly to fill out the employee data workbook, discuss and answer questions regarding your configuration, make decisions about how your software will work, and return any deliverables assigned to you.

TRAINING Customers start learning the HRIS system through a combination of self-paced training modules, demonstrations from the Implementation Consultant and practicing in a training environment.

CONFIGURATION The main elements and administrative settings of the HRIS platform are configured together by the customer and Implementation Consultant.

PHASES 3 & 4 TRAINING & PRODUCTION

8 - 20 Weeks

TEST & TRAIN During the train & testing phase of your implementation the team will begin to train you on how to use the system, test and validate your data, and make adjustments as identified. Once this is complete you will sign off on the training environment.

PARALLEL Once training, testing, and validation of your data are complete, we will enter the payroll parallel period. A minimum of 2 parallel cycles is required.

MIGRATION & VERIFICATION Once we have completed your system set-up, testing, and refinements and a test cycle of parallels, it will be time to migrate to the production environment. You will have an opportunity to provide updated employee data and validate your production data as we complete a production level parallel.

SIGN-OFF You will sign off on the production environment and the system will go live. You can now execute your internal rollout plan.

POLICY

COMPLY

Policy is a secure, cloud-based repository to manage your policies and documents across their entire lifecycle.

Develop, review, approve, distribute, and track every policy with confidence, knowing that only one published version exists.

KEEP YOUR TEAM ORGANIZED – *and compliant with a* – MODERN POLICY MANAGEMENT SOLUTION

Policy is document-management simplified. Our secure, cloud-based repository manages policies and procedures across their entire lifecycle, ensuring your team is always connected to a single source of truth. Create, store, and distribute every policy with confidence, knowing only one published version exists.

Keep employees accountable with the ability to capture and track e-signatures. Easily view outstanding items like incomplete training, missing signatures, or failed tests, and quickly take action. Every time a policy is revised the public view is automatically updated, so your employees remain accountable.

Route documents for collaboration, review, or approval. Establish consistent processes for each department with workflow templates. Easily review and approve changes to critical documents with side-by-side, color-coded highlighting of everything that has been added, deleted, or revised.

CREATED FOR YOU *and your employees*

- ✓ Communicate More Effectively
- ✓ Build A Culture of Compliance
- ✓ Update Policies 4x Faster

HIGHLIGHTED FEATURES

UPDATE POLICIES 4X FASTER

Update policies 4x faster when compared to traditional processes. Save time with automated alerts, easily collaborate on document changes with key stakeholders, and track complete document histories.

- Fully integrated with Microsoft Office to edit policies and track changes
- Stay organized with a single source of truth for each policy
- Schedule automated policy review notifications to regularly update key policies
- Set up advanced workflows to collaborate across your organization

SAVE THOUSANDS IN PAPER COSTS

Paper processes are expensive and time-consuming. Modernizing your policy management process will save you time, resources, and prepare you for the future.

- Save an average of \$11,000 in paper and printing costs alone
- Full-text search makes locating a policy quick and easy
- Reduce your carbon footprint with more than 47 trees saved per customer
- Free mobile application provides access to up-to-date policies from any location

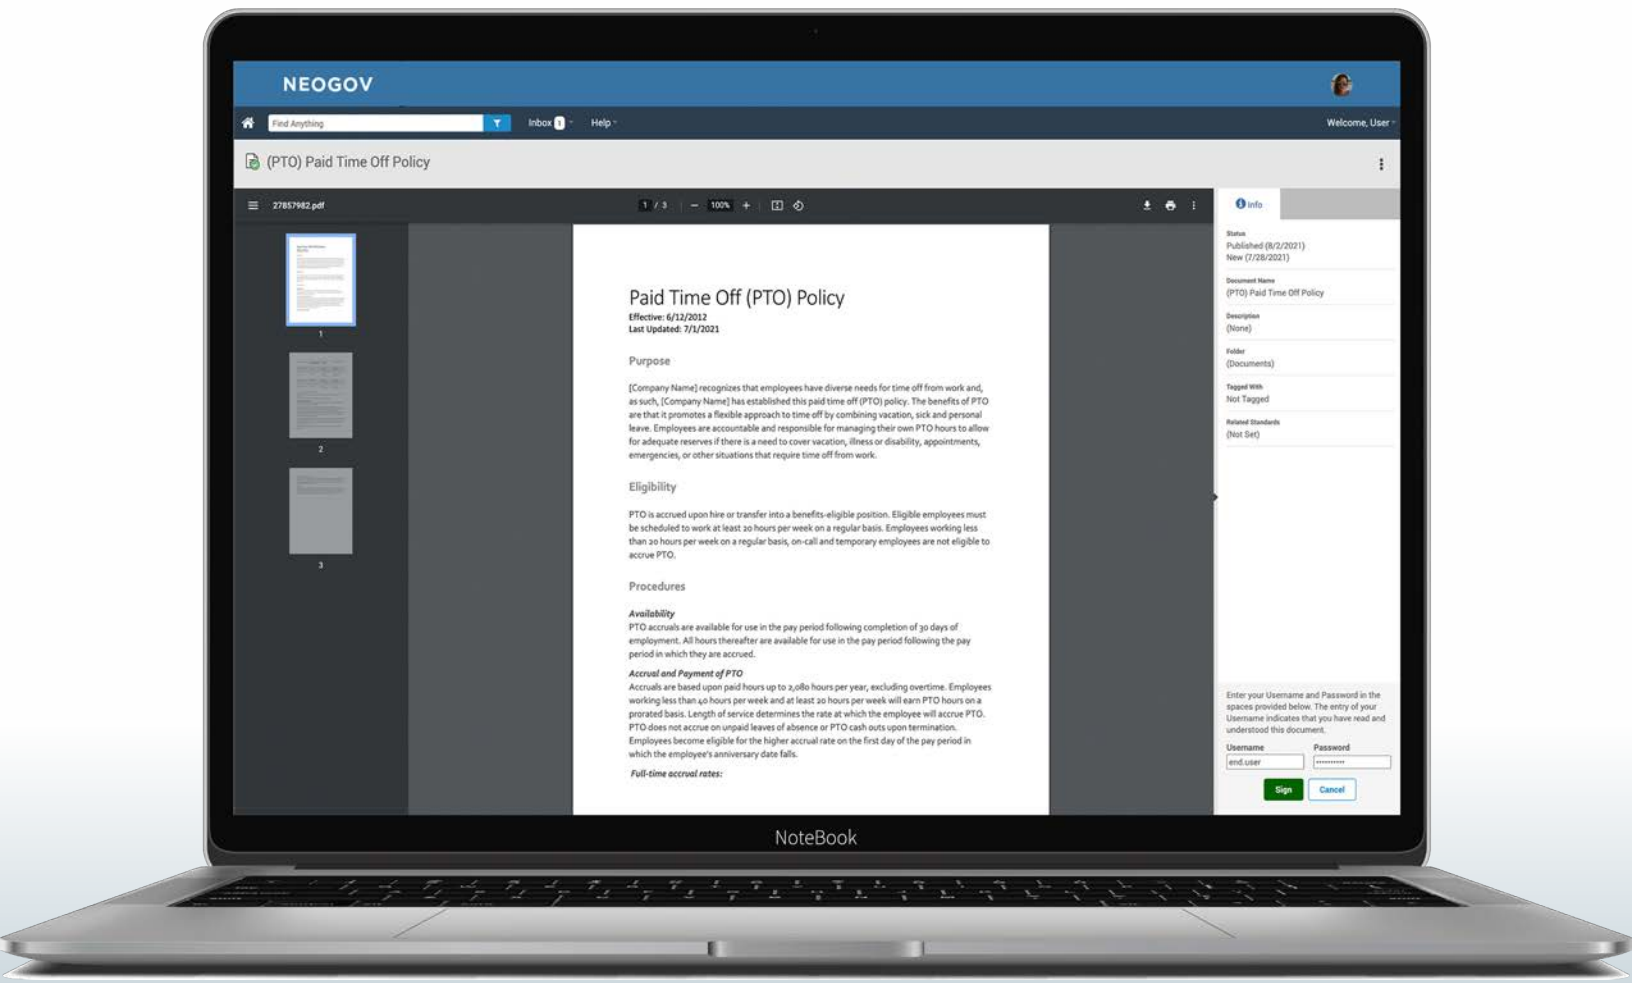

FOSTER A CULTURE OF ACCOUNTABILITY

Compliance hinges on effective policy management. Use Policy's powerful tracking tools to reduce liability.

- Hold employees accountable with electronic signature tracking
- Maintain a complete audit trail of every version of every policy
- Automatically alert employees when a policy has changed
- Side-by-side comparison of policy changes for faster comprehension

FINGERTIPS

CUSTOMER SUPPORT

NEOGOV has a team of experienced professionals ready to help you learn our products and answer your questions by phone, email, or logging a case. Our live Customer Care Team is available from 6:00 AM to 6:00 PM (Pacific Time), Monday through Friday (excluding NEOGOV holidays). During these phone support hours, you have an unlimited number of calls available. If you call outside of these hours, or if all our representatives are busy, simply leave a message and your call will be returned once a team member is available.

APPLICANT SUPPORT

Our highly trained applicant support professionals are available for live consultations with applicants to resolve technical issues. Our live Applicant Support Team is available from 6:00 AM to 5:00 PM (Pacific Time), Monday through Friday (excluding NEOGOV holidays). If a call is received outside of these hours, or if all our representatives are busy, the caller can press a button to request a callback.

IMPLEMENTATION SUPPORT

NEOGOV's team of skilled Product Implementation Consultants (many of whom are former HR professionals) are here to help you successfully deploy our products. You'll be assigned an Implementation Consultant to guide you through learning and configuring our products. Rather than a one-time software trainer with limited interaction, your Consultant will serve as your Product Subject Matter Expert, providing you with best practice advice during the entire implementation project.

CONNECT WITH US

COMMUNITY CONFERENCE CALLS

NEOGOV provides Community Conference Calls. Once you sign in to a product, you become subscribed to an email that announces the upcoming times and dates of our Community Conference Calls. The email subscription can be modified within your user settings. These calls focus on sharing new product features and functionality with our users.

ONLINE SUPPORT

When you join NEOGOV, you become part of our Online Community, a 24-hour resource where customers can connect and interact with each other. Our team ensures up-to-date materials are available for you, from training guides and video tutorials to announcements, FAQs, and product enhancement release notes. Connect with other HR professionals through the Community Forum, where you can share knowledge, resources, ask and answer each other's questions. Collaboratively use the Idea Board to suggest improvements to our products and vote or comment on your peers' ideas. All of these features and more are available for your unlimited use.

CONNECT USER CONFERENCE

NEOGOV's CONNECT Conference and Pre-Conference Training are annual, live, in-person events focused on providing customers with training and information to enhance their use of NEOGOV products and their professional knowledge. Pricing for tickets is published once available and varies from year to year.

The Pre-Conference Training is a day-long selection of classes about NEOGOV products. The Conference is a two-day series of sessions providing additional product and best practices information to grow customers' knowledge base — some of which qualify for SHRM and/or HRCl credits. We also host a social event at the Conference to foster relationships between members of the NEOGOV Community.
