◆ WHAT IS SCSEP

The Senior Community Service Employment Program (SCSEP) is a community service and work-based paid job-training program for older Americans funded by the Department of Labor.

◆ HOST AGENCY

501c(3) Non Profits or Federal, State, County, City, or Tribal government agencies provide real world training opportunities; skill training, supervision, and a safe workplace training environment.

◆ BENEFITS

SCSEP pays wages to the participants and their Workers' Compensation costs. Participants provide support to the agency with a variety of tasks that can help the agency staff become even more resourceful and efficient in day to day operations...at no cost.
