

SICK LEAVE DONATION AND AUTHORIZATION REQUEST FORM

At times, an employee may require extended leave due to his or her own personal needs or to care for a family member. When an employee is on FMLA, they must use their "Sick Leave" to cover any employment days missed.

Accrued and earned Sick Leave may be "donated" from one employee to another in certain circumstances when the Board of County Commissioners has approved the "transfer". If approved, the donation of sick leave will reduce the donating employee's sick leave hours and increase the sick leave balance of the recipient employee. Once the "donation" has been approved and processed the transaction, will be final and cannot be changed regardless of whether the time was utilized by the receiving employee. The maximum numbers of days an employee is able to donate is 30 days or (240 hours max).
