Hi Carl,

Hope this email finds you well.

I wanted to reach out to see if you would ask the commissioner's if they would be willing to extend our ambulance license to June 30th. I believe you heard the why but in case you haven't, the state is requiring all ambulance services to be licensed under the State of Colorado beginning July 1<sup>st</sup>. Our license expires April 27<sup>th</sup> so it would only be a 2-month extension. I believe LaVeta's license renewed in December so they would not have asked.

I will await your answer to share with our team.

*Respectfully,*

*Kay*
