1.03.02 District Characteristics and Requirements

The districts enumerated in Section 1.03.01 shall have the following characteristics and specifications:

A Agricultural District

This district is created for the purpose of protecting the productive agricultural lands of Huerfano County and preserving the visual and cultural values, historical and archeological features and critical wildlife habitat associated with the scenic vistas, natural topography and agricultural lifestyles in rural, unincorporated areas of Huerfano County.

Minimum district size:	40 acres
Minimum lot area:	35 acres
Minimum lot width:	200 feet
Front yard setback:	60 feet
Side yard setback:	25 feet
Rear yard setback:	30 feet
Maximum structure height:	Refer to Comprehensive plan, page 4, “Residential Use”
Minimum dwelling size:	600 square feet
Maximum lot coverage:	15 percent

For uses allowed by right, conditional uses and prohibited uses see Section 1.05.

RR Rural Residential District

This district is created for the purpose of allowing the establishment of moderate density rural residential development in predominantly agricultural and rural areas of unincorporated Huerfano County without compromising or otherwise significantly changing the visual, scenic and other natural characteristics of the surrounding area and providing as necessary for the protection of critical wildlife habitat.

Minimum district size:	20 acres
Minimum lot area:	2 acres
Minimum lot width:	100 feet
Front yard setback:	20 feet
Side yard setback:	10 feet
Rear yard setback:	20 feet
Maximum structure height:	40 feet (refer to Comprehensive plan, page 4, “Residential Use”)

1.04.01 Variances

Variances from various provisions of this zoning regulation are heard by and decided by the Board of Adjustment. See Section 9.02

Process Summary

1. Staff reviews application for completeness, notifies relevant referral agencies and prepares staff report
2. Public noticing
3. → BOA Public Hearing and decision

9.02.02 (4)

4. Where by reason of exceptional narrowness, shallowness or shape of a specific piece of property existing at the time of enactment of these regulations, or by reason of exceptional topographic conditions or other extraordinary or exceptional physical characteristics or conditions of such piece of property not created by the applicant, or due to unique characteristics of the proposed project, subsequent to the adoption of these regulations or previously adopted County zoning regulations, the strict application of any zoning regulation or provision therein would result in peculiar and exceptional practical difficulties to or exceptional and undue hardship upon the owner of such property, then the Board of Adjustment shall have the authority, upon an appeal relating to said property, to authorize a variance from such strict and literal application so as to relieve such difficulties or hardship. Such relief shall be granted, however, without substantial detriment to the public good or neighborhood character, and without altering or impairing the intent and purpose of the zoning regulations and other provisions contained within State or County regulations. The Board shall not, however, have the power to grant variances from the uses prohibited or allowed conditionally by special review for the zoning district involved.

9.02.03 Submittal Requirements for Appeals and Variances

1. Applicants appearing before the Board of Adjustment shall submit the following submittal materials and all other materials as the County Planner or the Board of Adjustment may deem necessary. These submittal requirements are in addition to those specified in Section 9.02.04, Application and Appeals Procedures, of these regulations.

01. A full and accurate legal description of the land involved in the appeal action.

02. A plot plan showing the existing and proposed location of all structures, uses, zoning district boundaries and setbacks on the land involved in the appeal action.

03. Proof of ownership of the property or written evidence of authority to act on behalf of the lawfully demonstrated owner of the property.

04. A list of Names of owners of record and physical addresses of all property adjacent to the property in question and all adjacent mineral rights owners and lessees and easement holders, as shown on the records of the Huerfano County Assessor. See Section 9.02.04, Appeals Procedures, below.

05. Payment of the cost of publication of the mailed and published public hearing notices.

06. Letter of Intent describing regulation from which a variance is being requested, why requested variance is necessary, and how such variance request meets criteria for a variance described in 9.02.02 (4).

07. A letter of intent addressing criteria described in 9.02.02 and 9.02.04 (4)

2. Items in Section 9.02.03 numbers .04, .05, and .06, above, need to be submitted at the time of application .

9.02.04 Appeal and Application Procedures

1. Appeals to the Board of Adjustment may be made by any person(s) aggrieved by an inability to obtain a building permit or by the decision or interpretation of any administrative officer or agency based upon or made in the course of the administration or enforcement of the provisions of these zoning regulations. Appeals to the Board shall be made within thirty (30) days of the order, requirement, decision, interpretation or refusal alleged to have occurred or to be in error. Applications to the Board of Adjustment may also be made by persons, organizations or corporations for variances from zoning setback requirements and other circumstances for which a variance may be obtained.

2. The Board shall hold a public hearing on all applications for variances and appeals. Prior to such public hearing scheduled before the Board of Adjustment a notice of public hearing shall be published in a legal

publication in Huerfano County at least ten (10) days before the scheduled date of the public hearing. Publication of such notice shall follow a form prescribed by the County and publication of the notice, which shall specify the time and place of the hearing and location of the land subject to the hearing. Applicants shall be billed by the County for costs associated with noticing.

3. All listed owners of record of adjacent properties shall be notified by certified mail and all registered addresses of adjacent properties shall be notified by regular mail at least ten (10) days prior to the scheduled hearing date and notice shall be posted in a newspaper of record at least ten (10) days prior to any public hearing. This mailed notice shall also be sent to all adjacent mineral rights owners and lessees and easement holders, as shown on the records of the Huerfano County Assessor and identified in the application by the applicant, and the notice shall include a vicinity map, a short narrative describing the relief sought and an announcement of the date, time and location of the scheduled hearing.

4. All applications and appeals to the Board of Adjustment shall be in writing and on such forms as shall be prescribed by the Board and the appropriate filing fee shall accompany the application. Every application or appeal shall state what provision(s) of the zoning regulation is/are involved, what relief from the provision(s) is being sought, and the grounds on which the relief should be granted to the applicant. The chairman of the Board, or his appointed designee, shall call a meeting of the Board scheduled to take place within fifteen (15) days of the submission of the required submittal materials.

5. Upon reaching a decision in the manner described above, the Board of Adjustment or its authorized agent shall notify applicant(s) in writing ten (10) working days after the Board of Adjustment takes action on an appeal brought before it.

1.05 USES ALLOWED BY RIGHT, CONDITIONAL USES AND PROHIBITED USES IN ZONING DISTRICTS

Table 1 on the following pages indicates which land uses are allowed by right, which are conditional uses and which are prohibited uses in the zoning districts listed in Section 1.03.01 and described in Section 1.03.02. Uses not listed are considered to be conditional uses. See Section 1.06 on conditional use provisions and Section 1.07 on uses not itemized.

1.06 CONDITIONAL USE APPROVAL AND APPROVAL AMENDMENT PROVISIONS

...

1.06.01 Submittal Requirements

Application for a conditional use approval for a conditional use shall require submission a) of an application on a form provided by Huerfano County, b) submission of a Letter of Intent and c), submission of a Site Plan. These submissions shall be made to the Planning Department and staff shall determine that applications are ready for formal review and processing.

1.06.01 (2)

...

The appropriate filing fees shall accompany the submission of these above materials. The Director may waive any but not all of the above submission requirements in cases where provision of the specified items would prove unnecessarily burdensome or inappropriate. The Planning Commission may vote to continue a public hearing in order to permit applicant time to prepare and submit additional information deemed necessary to make a recommendation.

1.06.02 Procedures for Referral, Review and Action on an Application for a Conditional Use Approval

Process Summary:

1. Staff determines completeness, routes to relevant referral agencies and schedules public meeting with PC and prepares staff report
2. Planning Commission public meeting and recommendation
3. Public noticing
4. Board of County Commissioners public hearing and decision.

1. Upon proper and adequate submission of the appropriate application form, fees and other submittal materials as specified in Section 1.06.01, the Planning Commission shall consider at a regular or special public meeting the conditional use application. All listed owners of record of properties within 1,320 feet in the Agricultural Zone District, or of adjacent properties in other zones shall be notified by certified mail and all registered addresses in the same radius shall be notified by regular mail at least ten (10) days prior to the

scheduled hearing date and notice shall be posted in a newspaper of record at least ten (10) days prior to any public hearing. The Planning Commission may expand notification requirements to include identified properties that have the potential to be impacted by the proposal, by majority vote. In addition, the applicant shall cause to have posted on the property in question, in a conspicuous location, a sign supplied by Huerfano County, stating the time, date, location and subject of the hearing. Such sign(s) shall be posted at least ten (10) days before the scheduled date of the hearing.

These public due process notification and proof of notification procedures shall apply to all public hearings conducted by Huerfano County for actions included within these regulations.

2. Upon the closing of the public meeting, the Planning Commission shall make a recommendation on the application for a conditional use to the Board of County Commissioners, recommending approval, denial or conditional approval. The Planning Commission shall forward its recommendation and any records of the hearing to the Board within ten (10) working days of its action.

Within thirty (30) days of receiving such materials the Board of County Commissioners shall consider the recommendation at a regular or special session of the Board and shall act to approve, deny or conditionally approve the application, including notice whether there shall be a time period for review of compliance with any approval conditions.

3. When a conditional use application has a potential impact on any of the referral agencies listed in 8.04.01 (4), staff will route the application for referral review and comment. The referral review and comment period shall be for a period of time of up to thirty (30) days from the date materials are received for review..

1.18 Rezoning

1.18.01 General Information

Applications to rezone or change the zoning classification of a parcel or parcels of land shall be treated as proposed amendments to this zoning regulation and such applications also shall comply with the common procedures described in these regulations. Applications for rezoning shall be accompanied by an application form provided by Huerfano County, by the appropriate submittal materials and by the necessary filing fees.

Process:

1. Staff determines completeness, routes to relevant referral agencies and schedules public meeting with PC and prepares staff report
2. PC public meeting and recommendation
3. Noticing for public hearing
4. BOCC public hearing and decision..

1.18.02 Special Rezoning Requirements and Provisions

All listed owners of record of adjacent properties shall be notified by certified mail and all registered addresses in the same radius shall be notified by regular mail at least ten (10) days prior to the scheduled hearing date and notice shall be posted in a newspaper of record at least ten (10) days prior to any public hearing. The Planning Commission may expand notification requirements to include identified properties that have the potential to be impacted by the proposal, by majority vote.

Applicants will be billed by the county for costs associated with public noticing.

In addition, the applicant shall also post notice on the property for which the rezoning is requested at least ten (10) days prior to a public hearing scheduled before the Planning Commission and indicating information on the public hearings scheduled with both the Planning Commission and the Board of County Commissioners. Applicant shall post notice on the property; such notice shall follow a form prescribed by the County and shall consist of at least one sign facing each adjacent public right-of-way. Such signs shall measure at least three (3) feet by four (4) feet, the size of all letters shall be at least two (2) inches high and the signs shall be erected on posts no less than four (4) feet nor more than six (6) feet above ground level.

Written notice of said hearing(s) shall be sent by registered mail, return receipt requested, at least ten (10) days prior to a Planning Commission or Board of County Commissioners hearing date to owners of record of all property adjacent to the property proposed for rezoning. The notice shall include a vicinity map, a short narrative describing the current zoning, the proposed rezoning and the nature of the proposed land use change along with announcement of the date, time and location of the scheduled hearing.

1.18.03 Submittal Requirements

Applications for rezoning shall include a Letter of Intent and a Site Plan providing the information required in Section 1.06.01 for a conditional use review. Additionally, the following items shall be submitted with an application::

Required attachments:

1. The source and quantity of water required for the proposed use(s) within the area to be rezoned.
2. The method of wastewater treatment and anticipated quantity of wastewater generated.
3. When water or wastewater service would be provided by a municipality or a water or sanitation or water and sanitation district or other public entity, written confirmation that the public entity in question is willing and able to provide the service in question.
4. A description of any natural or man-made hazard within or in the vicinity of the land proposed for rezoning and a statement describing how the anticipated impact of such hazards will be mitigated.
5. A legal description of the property to be rezoned.
6. A vicinity map showing to scale the proposed area to be rezoned in relationship to the surrounding area within a distance of two (2) miles from the boundaries of the proposed rezoning.
7. A graphic description of all natural and manmade water courses, retention areas, streams, lakes and known one hundred (100) year flood plains on or adjacent to the property along with all areas in the proposed rezoning with a slope of twenty (20) percent or greater.
8. A description of any critical wildlife habitat and migration corridors and unique natural features, such as historical sites, unique land forms or scenic vistas contained within the land proposed for rezoning.
9. Explanation of how proposal is consistent with the Comprehensive Plan.
10. Any additional information requested by staff or Planning Commission.

The appropriate filing fees shall accompany the submission of these above materials. The Director, may waive any but not all of the above submission requirements in cases where provision of the specified items would prove unnecessarily burdensome or inappropriate. Planning Commission may require additional documentation, including any requirements listed above that were waived by the Director before making a decision.

Rezoning applications may be initiated by any citizen or group of citizens, association, partnership or corporation owning or leasing property or residing in Huerfano County or by a representative or agent with written power of attorney from one of the above parties to initiate the application.:

The Board of County Commissioners and the Huerfano County Planning Commission may also initiate a rezoning.

3.

1.18.05 Criteria for Action on a Rezoning Application

All actions by the Planning Commission in reviewing and making recommendations on a rezoning application and by the Board of County Commissioners in approving or disapproving such application shall be based in general upon the provisions of these regulations and specifically on the following additional criteria:

1. That the existing zoning district is consistent with the goals, objectives and policies of Huerfano County, as contained in the County Comprehensive Plan and other adopted planning documents.
2. That the land proposed for rezoning or adjacent land has changed or is changing to a degree such that it is in the public interest to encourage different densities or uses within the land in question.
3. That the proposed rezoning is needed to provide land for a demonstrated community need or service.

In any petition for rezoning, the petitioner shall carry the burden of demonstrating that the land in question should be rezoned and that the advantages resulting from rezoning would outweigh any disadvantages that would result. Nothing contained herein shall, however, be construed as limiting in any way the authority of the Board of County Commissioners to rezone any land within unincorporated Huerfano County or otherwise amend this zoning regulation for any reason consistent with the health, welfare or safety of the residents of Huerfano County.

2.09 SUBMITTAL REQUIREMENTS FOR PROPOSED SUBDIVISIONS

Applications for approval of a subdivision shall include, in addition to a completed application on a form provided by Huerfano County and the appropriate filing fees, the following items. The Planning Commission may, at its discretion and upon written application by an applicant, waive any of these items not required by the laws of the State of Colorado, and the Planning Commission may also, at its discretion, add such submission items as it deems necessary and appropriate to evaluate an application for a subdivision.

Process Summary:

One public hearing for each phase – Sketch Plan, Preliminary Plan, and Final Plat:

1. Staff determines completeness, routes to relevant referral agencies and schedules & posts notices for public meeting with PC and prepares staff report
2. PC public meeting and recommendation
3. Public Noticing
4. BOCC public hearing and decision

Public Notice: Public noticing requirements shall apply for each public hearing involved in the subdivision process. At least ten (10) days prior to public hearings for the Sketch Plan, Preliminary Plan and Final Plat, the County shall send notice to property owners by certified mail and to listed physical addresses by regular mail to properties within 1320 feet of the boundaries of the proposed subdivision for properties zoned Agricultural, or 500 feet for properties in all other zones; This distance provision may be expanded up to twenty-five hundred (2,500) feet, or to include identified properties that have the potential to be impacted by the proposal by majority vote of the Planning Commission in the case of large subdivisions and when other special circumstances so warrant.

2.09.02 Preliminary Plan/General Submission

The preliminary plan shall incorporate all modifications of and changes to the sketch plan agreed to by the applicant, the Planning Commission and the Board of County Commissioners. The purpose of a preliminary plan is to review the proposed subdivision in the context of the technical requirements, design standards and improvement requirements of Huerfano County and the various other terms and provisions of these regulations to ensure the compatibility of the proposed subdivision with these considerations and with the current and anticipated or desired future land use patterns within and in the vicinity of the proposed subdivision. Detailed review of a preliminary plan at the general submission stage provides further evidence of compliance or lack of compliance of the proposed subdivision with the comprehensive plan and other provisions of State & Local Regulations, along with the policies and plans of other public and quasi-public agencies in Huerfano County.

Preliminary plans shall be prepared by appropriately qualified persons in a clear and legible manner on reproducible stock in a manner acceptable to the Planning Commission and at a scale of one (1) inch to one hundred (100) or two hundred (200) feet or another scale approved by the County Planner. In the case of large proposed subdivisions requiring more than one sheet at such scale, a reproducible composite measuring not more than twenty-four (24) inches by thirty-six (36) inches and showing the total area at an appropriate scale shall also be submitted.

Preliminary plans approved by the Board of County Commissioners shall remain valid for one (1) year following the date of their approval, unless an extension of up to one (1) additional year is granted by the Board of County Commissioners, upon submission of a written request for such extension by the applicant, prior to the expiration of the initial preliminary plan. Any preliminary plan submitted for a proposed subdivision for which the previous preliminary plan approval has expired shall be considered a new preliminary plan and shall require a new application and filing fee.

A preliminary plan shall require the following information:

1. The name(s) and address(es) of the property owner(s) and of the applicant(s), if other than the owner(s), and the person(s) preparing the preliminary plan submittal materials.
2. In the case of a corporate property owner or corporate applicant, evidence of registration or incorporation in the State of Colorado.
3. A copy of a current certificate from a title insurance company or an attorney licensed to practice law in the state of Colorado setting forth the names of all owners of property included within the proposed subdivision and a list of all mortgages, judgments, liens, easements, contracts and agreements of record which shall affect the property within the proposed subdivision.
4. The name or identifying title of the proposed subdivision.
5. The date of preparation of the preliminary plan, a north arrow and a written and graphic scale.
6. An accurate legal description of the property included within the proposed subdivision and the total acreage of the proposed subdivision.
7. The location of the proposed subdivision as a part of a larger subdivision, if any, and with reference to permanent survey monuments with a tie to a section or a quarter-section corner.
8. A location map showing the relationship of the proposed subdivision to the characteristics of the surrounding area along with the names of adjacent subdivisions and the current land uses and zoning districts within one (1) mile of the boundaries of the proposed subdivision.
9. A list from the County Assessor's office of current property owners of record and their complete mailing address as well as physical addresses for properties within five hundred (500) feet of the boundaries of the proposed subdivision. At the Planning Commission's discretion, this can be expanded to 1,320 feet and to include other properties likely to be impacted.
10. A list of the owners of subsurface mineral interests and their lessees, if any, on the proposed site and their complete mailing addresses.
11. Site data in chart form presenting the total number of proposed residential lots, the net size of the average (mean) lot, minimum lot size, maximum lot size, the types of land use proposed and the area of land proposed for each such land use.

12. The proposed sites, if any, for multi-family residential use, business use, commercial and industrial areas and other public and non-public uses exclusive of single family residential areas within the proposed subdivision.
13. The total number of projected square feet of non-residential floor space to be included within the proposed subdivision.
14. The current zoning districts on the site and any zoning changes to be requested.
15. The location and principal dimensions of all existing and proposed streets, alleys, roads, easements, off-street parking areas, watercourses, streams, ponds and other significant features of the natural and manmade landscape within and adjacent to the proposed subdivision. Such features should be labeled by their proper names, when such names exist or are known, and the use of all should be clearly shown. All streets and access easements must have proposed names for addressing according to the County's emergency systems. All roads & access names must be approved in writing by the Huerfano County Land Use Department before the final plat is submitted.
16. The location and current and proposed future uses of all buildings and other structures in and within one hundred (100) feet of the boundaries of the proposed subdivision.
17. A lot and street layout with lots and blocks numbered consecutively with the dimensions of all lots to the nearest foot and the acreage in each lot displayed.
18. The location of and preliminary engineering from any existing or proposed sewers, water mains, culverts, storm drains, sidewalks, gutters, fire hydrants and the sizes and types thereof, along with the width and depth of pavement or sub-grading to be provided, the depth of burial of all under-ground lines, pipes and tubing and typical cross sections of the proposed grading of roadways and sidewalks.
19. The preliminary engineering design and construction features for any bridges, culverts or other drainage structures to be constructed.
20. The topography of the proposed subdivision at two (2) foot contour intervals for predominant ground slopes up to five (5) percent grade and five (5) foot contours for predominant ground slopes within the site that are over five (5) percent grade. Upon request of and at the discretion of the County Planner, alternate contour intervals can be used for all or part of a site where special slope or other conditions prevail. Elevations shall be based on National Geodetic Survey sea level data.
21. The delineation of any known identified or designated areas where a flood statistically has a one (1) percent chance of occurring in any given year and localized areas subject to periodic flooding. Mitigation measures, if any, proposed to overcome the consequences of periodic inundation shall also be included in the submission. The distance between the mean identifiable high water mark of any creeks, streams or rivers and the nearest proposed development within the site shall also be shown.
22. The delineation of the geological characteristics of the area with evidence regarding the extent and intensity of any geological, radiological, seismic or other related hazards within or in close proximity to the proposed site. Mitigation measures, if any, proposed to overcome such geological, radiological, seismic or other hazards shall also be included in the submission.
23. Soil suitability and interpretation information developed from National Cooperative Soil Survey data and accompanied by a table of interpretation for the soil types shown on the soils map or equivalent qualified private research sources, along with a narrative description of the mitigating measures, if any, proposed to overcome soils limitations present on the site of the proposed subdivision.
24. Preliminary drainage, erosion and sedimentation control plans, as required.
25. Delineation of the type and extent of vegetative cover on the site.
26. All areas to be reserved for community or public uses and all areas to be dedicated to Huerfano County along with any other areas to be used for open space and a statement describing how such reserved, dedicated and open space lands shall be maintained.
27. Preliminary copies of the protective covenants to be filed with the final plat.
28. Evidence that the proposed system for the disposal of sewage will comply with State of Colorado and regional health department statutes, regulations and design requirements and that the proposed method is both technically feasible and environmentally sound. The peak capacity of the sewage treatment system shall be provided if a centralized collection and treatment system is proposed.
29. Evidence from the Colorado Division of Water Resources that the proposed system for the supply of potable water would be sufficient in terms of quantity, quality, dependability and pressure to provide

adequate water supply to the proposed subdivision. The peak capacity of the proposed water supply system shall be provided if a centralized distribution system is proposed.

30. Where water supply or sewage collection and treatment is to be provided by an already existing centralized system, a letter of preliminary commitment from the owner(s) of that system or their duly authorized agent(s), stating that there now exists or will exist sufficient system capacity to supply the needs of the proposed subdivision and that the owners of the system are willing and able to provide the proposed water supply or sewage collection and treatment services.

31. Information regarding the relationship of the proposed location of the subdivision to any critical wildlife habitat and wildlife migration corridors and proposed mitigation measures to preserve such habitat and corridors and measures to be employed to reduce the impact of future human settlement on such wildlife habitat and migration corridors.

32. Information regarding the relationship of the proposed location of the subdivision to any historical or archeological resources and proposed mitigation measures to preserve such resources and measures to be employed to reduce the impact of future human settlement on these historical and archeological resources.

33. A preliminary development schedule for required and proposed improvements, including the estimated construction cost and the proposed method(s) of financing.

34. A discussion of any special districts that would be created wholly or partly within the proposed subdivision, listing the proposed boundaries of the service district and what services it would provide.

35. A preliminary phasing plan when the proposed subdivision would be developed in more than one phase.

36. Other such information and submittal items as the Planning Commission or the Board of County Commissioners may reasonably request.

2.09.02 Preliminary Plan/General Submission

...

Preliminary plans approved by the Board of County Commissioners shall remain valid for eighteen (18) months following the date of their approval, unless an extension of up to one (1) additional year is granted by the Board of County Commissioners, upon submission of a written request for such extension by the applicant, prior to the expiration of the initial preliminary plan. Any preliminary plan submitted for a proposed subdivision for which the previous preliminary plan approval has expired shall be considered a new preliminary plan and shall require a new application and filing fee.

...

2.09.03 Final Plat/Final Submission

...

Final plats shall be submitted to the Planning Commission for action within eighteen (18) months after the date that a preliminary plan for the same proposed development was granted approval by the Board of County Commissioners, except that one extension of up to an additional eighteen (18) months may be granted by the Board of County Commissioners upon the submission of a written request for such extension by the applicant prior to the expiration of the initial eighteen (18) month period. Failure to submit an acceptable final plat within this allowable time period or extension period, if granted, shall require that an applicant resubmit a preliminary plan with the appropriate filing fees and associated materials. ...

2.14 AMENDMENTS TO APPROVED AND RECORDED PLATS

The re-subdivision of land or substantial changes to a recorded plat shall be considered a subdivision or the subdivision of land and shall be subject to the subdivision and other applicable provisions of these regulations.

Minor changes to an approved and recorded plat shall not be considered a subdivision of land within the intent and definitions of these regulations, so long as the minor changes are not undertaken for the purposes of circumventing these subdivision regulations and so long as the minor changes do not include modifications which significantly alter the intended land uses, density, number of lots, circulation system, dedicated land or encompass more than twenty-five (25) percent of the land included within an approved and recorded subdivision. Specifically included within the scope of minor changes are the following actions: the adjustment and revision of lot lines, the re-platting of lots, the reconfiguration of dedicated streets and easements and reserved sites, along with similar minor changes to an approved and recorded plat, so long as the minor changes create no nonconforming lots, nor significantly alter street and road locations, drainage easements or violate the subdivision design standards contained herein. If more than three new lots are created, Staff analysis of impact and recommendation on whether it should be an amendment or subdivision to PC for determination on how to treat the application.

Referral agencies: HOA/POAs, Utilities, Fire Dept, and other agencies reasonably expected to be impacted as determined by staff, Planning Commission or County Commissioners.

2.14.01 Procedures for Amendment

Process Summary:

1. If more than three new lots are created, PC recommendation on whether to treat application as subdivision or plat amendment.
2. Full application submitted; Staff determines completeness, routes to relevant referral agencies and schedules public meeting with PC and prepares staff report
3. PC public meeting and recommendation
4. BOCC public hearing and decision

Applicants wishing to amend an approved and recorded plat shall submit to the Planning Department an application on a form supplied by the County, the appropriate submittal materials and the required filing fees. Applications to amend an approved and recorded plat shall be reviewed by the Planning Commission following the submission of the required materials. Upon closing the public meeting, the Planning Commission shall make a recommendation on the application for the amendment of an approved and recorded plat and transmit the application to the Board of County Commissioners for a decision. The Board of County Commissioners shall consider the application at a regularly scheduled meeting following, and the decision of the Board shall be recorded in the minutes of the meeting and transmitted in writing to the applicant. Applications that are denied by the Board of County Commissioners shall result in a statement to the applicant giving the reason for the denial.

2.14.02 Submission Requirements

Submission requirements for an application to amend an approved and recorded plat include a completed application, the appropriate filing fees and the following items:

1. Proof of ownership of the lot(s), parcel(s) or subdivision plat to be amended and evidence that the applicant, if not the owner, has full legal authority to act on behalf of the owner.
2. A copy of the approved and recorded final plat along with drawings done to the same scale as the recorded final plat indicating the amendment(s) proposed to be made to the approved and recorded plat. The drawings submitted with the recorded final plat shall meet all requirements for the preparation of a

final plat and be suitable for recording in the office of the County Clerk and Recorder. The drawings shall also show the location of all structures, streets, rights-of-way and easements within the area of the proposed plat

3. A narrative statement describing the proposed changes to the approved and recorded final plat and providing an explanation of why the proposed changes should be approved by the Planning Commission and the Board of County Commissioners. Included with the narrative statement shall be the acreage or square footage of all lots before and after adjustment, a legal description of each lot and a statement of the current zoning of all portions of the plat to be amended.

4. Applications for amendment of an approved and recorded plat submitted to correct minor surveying or drafting errors shall be accompanied by an affidavit by a Colorado licensed land surveyor attesting to the changes that have been made in the previously approved and recorded final plat.

5. 1. Applications to vacate approved and recorded plats, roads, easements or portions thereof shall be accompanied by an application form provided by Huerfano County, by the appropriate submittal materials listed in 2.15.02. and by the necessary filing fees. Copies of the vacating submittal materials shall be submitted to the school district and any other special purpose districts in which the proposed vacating is located along with all utility companies and municipalities potentially affected by the proposed vacating. Additional referral agencies may be contacted by the Planning Commission, at its discretion. All referral

agencies shall be allowed a review period, or the extension period shall be deemed an approval by referral agencies, twenty-one (21) days from the receipt of the referral materials to report their findings and/or recommendations to the County, and an additional twenty-one (21) day extension period with the approval by a majority vote of the Planning Commission. Failure to respond within the original review period or the extension period shall be deemed a de facto approval by referral agencies.

2. At least ten (10) days prior to a joint public hearing scheduled before the Planning Commission and the Board of County Commissioners to consider a vacating application, a notice of the joint public hearing shall be published in a legal publication in Huerfano County. Publication of said notice(s) shall follow a form prescribed by the County and publication of the notice is the responsibility of the applicant. In compliance with Huerfano County Resolution 78-33, applicants shall be billed directly by the newspaper publisher and shall submit proof of publication of the notice and proof of payment for publication with the Planning Commission before said hearing can take place.

3. Notice: All listed owners of record of properties within 1,320 feet in the Agricultural Zone District, or of adjacent properties in other zones, as well as all identified mineral estate owners identified, shall be notified by certified mail and all registered addresses in the same radius shall be notified by regular mail at least ten (10) days prior to the scheduled hearing date and notice shall be posted in a newspaper of record at least ten (10) days prior to any public hearing. The Planning Commission may expand notification requirements to include identified properties that have the potential to be impacted by the proposal, by majority vote.

Pursuant to C.R.S. § 24-65.5-103 (2) (a) The applicant shall identify the mineral estate owners entitled to notice pursuant to this section by examining the records in the office of the County Tax Assessor and Clerk and Recorder. The notice shall include a vicinity map, a short narrative describing the proposed action and an announcement of the date, time and location of the scheduled hearing.

4. Applications for vacating shall be processed as a final submission except as otherwise provided for in this Section 2.15.

Applications for vacating may be initiated by the owner of record or duly authorized agent of any owner of record of any approved and recorded plat or easement. The Board of County Commissioners and the Huerfano County Planning Commission may also initiate a vacation of land.
