Hey Kyla,

Thanks for the notification on this. I don't think the platt amendment wil have any major issue to wildlife/wildlife habitat but I'll have my local District Wildlife Manager Spencer Gerk take a look at this to see if there are any on the ground impacts or other wildlife issues.

Take Care

Hello,

The Huerfano County Land Use Office received an application (LU-23-040) from Dos Sueños for a plat amendment. Attached is a letter of intent and map.

Please respond to this email with any comments regarding this request by 7/1/2024.
