

Hello,

At San Isabel Electric, commitment to our communities is one of our core cooperative principles. We are community focused because we belong to and are built by the communities we serve. Giving back to the organizations that help keep our communities strong and growing is important to us.

The San Isabel Electric Board of Directors is honored to present you with this contribution and hope that it will provide you with the resources you need to continue your endeavors. We admire your work in the community.

Within 30 days of your project's completion, please fill out a Donation Report Form, available at siea.com/donations. Entities that have not submitted a Donation Report Form after being funded will not be considered for future donations.

Sincerely,

Edward Garcia
President, Board of Directors
San Isabel Electric
