Here is the login information for Municode. If you can bring your laptops/tablets we can do the meetings using our laptops/tablets. We would like to eliminate doing all of the several pages of paper copies. But if you prefer the paper copies we can definitely do that.

Just let me know.

Thanks,

Cheri,

Here is from MuniCode's help page:

[First-Time User Login – Meetings Essential \(civicplus.help\)](#)
[First-Time User Browser Setup – Meetings Essential \(civicplus.help\)](#)
[Use the Legislator Interface – Meetings Essential \(civicplus.help\)](#)
