Staff Report Regarding: RC Concrete Kevin Chavez

Prepared for HCBA Meeting April 20, 2023

Reason on Agenda: Q & N Construction has complaint against RC Concrete regarding collecting payment for jobs not either being started/completed. Had two other concerns regarding the same issue from Huerfano County Land Owners (but they didn't file an actual complaint) that they had paid RC Concrete for jobs that either weren't started/completed

Background: Kevin Chavez of RC Concrete took over his late father-in-laws concrete business. He is currently in compliance with his 2023 Contractor's License.
