Staff Report Regarding: BP 20-069 (Formerly BP 19-029) Keith Parsons

Prepared for HCBA Meeting April 14, 2023

Reason on Agenda: Original building permit issued March 15, 2019. Still has outstanding building permit as of April 13, 2023. This permit expired March 23, 2023.

Key Considerations:

1. To allow the Keith Parsons to continue to build with the same building permit 20-0169 and pay the \$50.00 annual renewal fee. Must show progress at minimum within a 180-day time frame.
2. To terminate the existing permit 20-169 and have Keith Parsons resubmit his plans for review and pay for a new building permit.

Background: The original building permit was issued to Keith Parsons on March 15, 2019, and at that time he did not have to pay a plan review fee (not sure why not). A second permit 20-069 on July 22, 2000 with a fee of \$359.66 (not sure where the number came from, added the building permit fee and the additional \$50.00 to continue the permit should have been \$ 282.19, even if there was a curtesy inspection it should have only added an additional \$100.00.)

Currently: Keith Parsons has his trenches dug and his forms placed in, no rebar yet as of inspection conducted on April 13, 2023. He has rough in plumbing set but not inspected. Ready for footer and slab pour once the rebar is set. Septic is done and finalized.
