Tax Abatement and Incentive Application

The City of Hutchins and the Hutchins Economic Development Corporation are committed to the promotion and retention of high quality development within the City of Hutchins and to better the quality of life for its citizens. These objectives can often be attained by the enhancement and expansion of the local economy. To meet these objectives, the City of Hutchins and the Hutchins Economic Development Corporation will, on a case-by-case basis, consider providing tax abatements or other economic development incentives to aid in the stimulation of economic development in Hutchins. The City of Hutchins and the Hutchins Economic Development Corporation will give such consideration in accordance with the City of Hutchins Guidelines and Criteria for Tax Abatement and Economic Development Incentives Program.

Nothing herein shall imply or suggest that the City of Hutchins or the Hutchins Economic Development Corporation is under any obligation to provide tax abatements or incentives to any applicant. All applicants and projects shall be considered on a case-by-case basis.

Completion of this application will allow the Hutchins Economic Development Corporation Board of Directors and the City Council for the City of Hutchins to predetermine a satisfactory level of return on investment. The application of a fiscal impact examination is a decision tool, and it is recognized that the guidelines are not all-inclusive.

Any consideration of the use of public resources for a business, regardless of whether they are direct financial investments, abatements, deferred taxes or regulatory considerations, requires that the fiscal impacts be considered as one of the measurement tools used to determine the incentives offered.

In order for the Hutchins Economic Development Corporation to determine the value of a project, it is necessary to obtain certain information. Incomplete applications will not be considered by the Hutchins Economic Development Corporation Board of Directors. Please provide us with the following:
