

Here's an outline to get us started planning for Hutchins Big Event Day, sponsored by Keep Hutchins Beautiful, focusing on the goals of educating, beautifying, cleaning, and recycling. This event will take place on October 11th, 2025.

Hutchins Big Event Day Outline

Date: October 11th, 2025

Location: Various segments throughout Hutchins

Event Goals

1. Educate the community about recycling and cleanliness.
2. Beautify the city through murals and landscaping.
3. Clean designated areas to promote a litter-free environment.
4. Recycle by distributing trash receptacles and providing education on waste management.

Event Schedule 8:00 AM - 9:00 AM:

Registration and Welcome - Participants check in at designated locations. - Welcome address from the Keep Hutchins Beautiful team outlining the day's goals and schedule.

Group Assignments and Area Clean-up - Participants are divided into groups, each assigned to different segments of the city for cleaning. - Distribution of cleaning supplies (gloves, trash bags, etc.) and trash receptacles bearing the KHB logo. - Groups begin their clean-up efforts in their assigned areas.

Education Tutorials - Conduct educational sessions on recycling practices and ways to keep Hutchins clean. - Topics might include: - The importance of recycling and composting. - How to report littering and illegal dumping. - Community responsibilities in maintaining a clean environment.

Sidewalk Mural Paint Session - Invite community members to participate in painting murals on sidewalks. - Provide supplies (paint, brushes, stencils) for attendees. - Focus on themes of cleanliness, community pride, and environmental awareness. (requires city council approval after board selects location)

Lunch Break - Light refreshments served for all participants. - Opportunity for networking and sharing experiences from the morning activities.
