Achievement of Excellence Award Information

- TMLDA recognizes that two of the many strengths of Texas libraries are individuality and ability to meet the specific needs of the communities served. Each award-winning library has chosen to emphasize the programs and services that best support local users where they live, work, and play. While no two public libraires are alike, they each strive for excellence.
- According to Texas State Library and Archive Commission, 545 public libraries exists in Texas. Of those libraries, only 84 received this award in 2023.
- To receive the Achievement of Library excellence Award, the library must support standards of excellence in 10 categories.

- Interlibrary Loan (ILL) is a service that allows us to share resources with other over 500 libraries in Texas.
- Patrons of the Atwell Public Library can request books that are not part of the permanent collection, and staff will use the interlibrary loan system to request books on their behalf.
- The current and future platforms for the interlibrary loan systems are funded by TSLAC and the Institute of Museum and Library Services.
