

STATE OF TEXAS §
§ **AGREEMENT FOR CONSTRUCTION SERVICES**
COUNTY OF DALLAS §

This Agreement for Construction Services (the “Agreement”) is made by and between the City of Hutchins, Texas (the “City”), a Texas type A general law municipal corporation located at 400 N JJ Lemmon Road, PO Box 500, Hutchins, Texas 75141, and Hawk Builders, LLC (the “Contractor”), a Texas limited liability company located at 301 West Main Street, Gunter, Texas 75058 (each a “Party” and collectively the “Parties”), acting by and through their authorized representatives.

RECITALS:

WHEREAS, the City desires to engage the services of Contractor as an independent contractor and not as an employee in accordance with the terms and conditions set forth in this Agreement; and

WHEREAS, Contractor desires to render construction services for the installation of sound deafening acoustic tiles in the walls of the animal shelter, as more fully described in Exhibit “A” attached hereto and made a part herein by reference, and in accordance with the terms and conditions set forth in this Agreement; and

NOW THEREFORE, in exchange for the mutual covenants set forth herein and other valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the Parties agree as follows:

ARTICLE I
SCOPE OF SERVICES

Upon issuance of a written Notice to Proceed by City, Contractor agrees to provide to City the necessary construction services related to providing material and labor required for the installation of sound deafening acoustic tiles in the walls of the animal shelter (the “Project”) as set forth in the Scope of Services attached hereto as Exhibit “A” and incorporated herein by reference (the “Scope of Services”). In the event of an irreconcilable conflict between the main body of this Agreement, the order of priority in reconciling such conflict shall be the main body of this Agreement, then the Scope of Services.

ARTICLE II
TERM

The Term of this Agreement shall commence on last date of execution (the “Effective Date”) and shall continue until completion of the services, unless sooner terminated as provided herein.

ARTICLE III
CONTRACTOR OBLIGATIONS

3.1 Contractor shall devote such time as reasonably necessary for the satisfactory performance of the work under this Agreement. Should City require additional services not included under this Agreement, Contractor shall make reasonable effort to provide such additional services at mutually agreed charges or rates, and within the time schedule prescribed by City; and without decreasing the effectiveness of the performance of services required under this Agreement.

3.2 Unless otherwise agreed, Contractor shall provide and pay for all materials, supplies, machinery, equipment, tools, superintendence, labor, insurance, and all water, light, power, fuel, transportation and all other facilities necessary for the execution and completion of the work covered by the Scope of Services. Unless otherwise specified, all materials shall be new and both workmanship and materials shall be of a good quality. Contractor shall, if required, furnish satisfactory evidence as to the kind and quality of materials. Materials or work described in words that so applied have well known, technical or trade meaning shall be held to refer to such recognized standards.

3.3 All minor details of the work not specifically mentioned in the Scope of Services but obviously necessary for the proper completion of the work, such as the proper connection of new work to old, shall be considered as incidental to and a part of the work for which the prices are set forth in this Agreement. Contractor will not be entitled to any additional compensation therefor unless specifically stated otherwise. Otherwise, the term "extra work" as used in this Agreement shall be understood to mean and include all work that may be required by City to be done by Contractor to accomplish any alteration or addition to the work as shown on the Project Drawings. It is agreed that Contractor shall perform all extra work under the direction of the City's Representative when presented with a written work order signed by the City's Representative, subject, however, to the right of Contractor to require written confirmation of such extra work order by City. Payment for extra work shall be as agreed in the work order.

3.4 Contractor agrees to indemnify, defend, and save City harmless from all claims growing out of any demands of subcontractors, laborers, workmen, mechanics, materialmen, and suppliers of machinery and parts thereof, equipment, power tools, all supplies incurred in the furtherance of the performance of this contract. When City requests, Contractor shall furnish satisfactory evidence that all obligations of the nature hereinabove designated have been paid, discharged, or waived.

ARTICLE IV PAYMENT

4.1 City agrees to pay Contractor for all services authorized in writing and properly performed by Contractor the total construction price not to exceed **TWENTY-FOUR THOUSAND EIGHT HUNDRED THIRTY AND NO/100 DOLLARS (\$24,830.00)** in accordance with Scope of Services, subject to additions or deletions for changes or extras agreed upon in writing. Unless otherwise provided herein, payment to the Contractor shall be monthly based on the Contractor's monthly progress report and detailed monthly itemized statement for services that shows the names of the Contractor's employees, agents, contractors performing the services, the time worked, the actual services performed, the rates charges for such service, reimbursable expenses, the total amount of fee earned to date, and the amount due and payable as of the current statement, in a form reasonably acceptable to the City. Monthly statements shall include authorized non-salary expenses with supporting itemized invoices and documentation. The City shall pay such monthly statements within thirty (30) days after receipt and City verification of the services and expenses unless otherwise provided herein.

4.2 City reserves the right to delay, without penalty, any partial payment when, in the opinion of City, Contractor has not made satisfactory progress on the construction of this Project based on the Scope of Services and the Completion Schedule Estimate.

4.4 The total amount to be paid pursuant to this Agreement is specified in Section 4.1, above. City may deduct from any amounts due or to become due to Contractor any sum or sums owing by Contractor to City. In the event of any breach by Contractor of any provision or obligation of this Agreement which is not timely cured after receipt of notice from City, or in the event of the assertion by other parties

of any claim or lien against City, or the City's premises, arising out of Contractor's performance of this Agreement, City shall have the right to retain out of any payments due or to become due to Contractor an amount sufficient to completely protect the City from any and all loss, damage or expense therefrom, until the breach, claim or lien has been satisfactorily remedied or adjusted by Contractor.

4.5 City may, on account of subsequently discovered evidence, withhold the whole or part of any payment to such extent as may be necessary to protect itself from loss on account of:

- (1) Defective work not remedied.
- (2) Claims filed or reasonable evidence indicating possible filing of claims.
- (3) Failure of Contractor to make payments promptly to subcontractors or for material or labor which City may pay as an agent for the Contractor.
- (4) Damages to another contractor or subcontractor.

When the above grounds are removed, or Contractor provides a surety bond satisfactory to City which will protect City in the amount withheld because of said grounds, City will release the amounts withheld.

4.6 Unless otherwise provided in the Scope of Services the Contractor shall be responsible for all expenses related to the services provided pursuant to this Agreement including, but not limited to, travel, copying and facsimile charges, telephone, internet, and email charges.

ARTICLE V RESPONSIBILITIES

5.1 Contractor shall be responsible for the professional quality, technical accuracy, and the coordination of all materials, construction, installation, and other services furnished by Contractor under this Agreement. Contractor shall, without additional compensation, correct or revise any errors or deficiencies in the installation and construction of the Project components to conform as shown in the Project Drawings and specifications.

5.2 Neither City's review, approval or acceptance of, nor payment for any of the services required under this Agreement, shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement, and Contractor shall be and remain liable to City in accordance with applicable law for all damages to City caused by Contractor's negligent performance of any of the services furnished under this Agreement.

5.3 The rights and remedies of City under this Agreement are as provided by law.

ARTICLE VI TIME FOR PERFORMANCE

6.1 Contractor shall perform all services as provided for under this Agreement in a proper, efficient, timely, and professional manner in accordance with City's requirements.

6.2 If Contractor's performance of this Agreement is delayed or interfered with by acts of City or others, Contractor may request an extension of time for the performance of same as hereinafter provided

but shall not be entitled to any increase in fee or price, or to damages or additional compensation as a consequence of such delays.

6.3 No allowance of any extension of time, for any cause whatever, shall be claimed or made to Contractor, unless Contractor shall have made written request upon City for such extension within forty-eight (48) hours after the cause for such extension occurred, and unless City and Contractor have agreed in writing upon the allowance of additional time to be made.

6.4 Contractor hereby agrees to commence work not later than ten (10) calendar days of the written Notice to Proceed. The Project will be considered substantially complete when items within the Scope of Services are completed.

ARTICLE VII OWNERSHIP OF PROJECT & WARRANTY

7.1 Contractor warrants that title to all work, including all equipment and materials incorporated into the Project, will pass to City no later than the time of final payment. Contractor further warrants that upon payment by City, all Work for which payments have been received from City shall be free and clear of liens, claims, security interest or other encumbrances in favor of Contractor or any other person or entity whatsoever.

7.2 Contractor agrees to assign to City at the time of final completion of the Scope of Services any and all manufacturer's warranties relating to equipment, materials and labor used in the Project and further agrees to perform the Project in such manner so as to preserve any and all manufacturer's warranties. If necessary, as a matter of law, Contractor may retain the right to enforce directly any such manufacturers' warranties during the two-year period following the date of final acceptance of the Project by City.

7.3 Contractor warrants the labor and materials provided in association with the Scope of Service for a period of one (1) year from the date of final completion and acceptance of the Project.

ARTICLE VIII TERMINATION

8.1 City may suspend or terminate this Agreement for cause or without cause at any time by giving Contractor thirty (30) days prior written notice. If the suspension or termination is without cause, payment to Contractor, in accordance with the terms of this Agreement, will be made on the basis of services reasonably determined by City to be satisfactorily performed to the date of suspension or termination. Such payment will be due upon delivery of all instruments of service to City.

8.2 Should City require a modification of this Agreement with Contractor, and if City and Contractor fail to agree upon a modification to this Agreement, City shall have the option of terminating this Agreement and Contractor's services hereunder at no additional cost other than the payment to Contractor, in accordance with the terms of this Agreement, for the services reasonably determined by City to be properly performed by Contractor prior to such termination date.

ARTICLE IX INSURANCE

9.1 During the term of this Agreement, Contractor shall maintain in full force and effect the following insurance:

- (1) A comprehensive general liability policy of insurance for bodily injury, death and property damage insuring against all claims, demands or actions relating to Contractor's performance of services pursuant to this Agreement with a minimum combined single limit of not less than \$1,000,000.00 per occurrence for injury to persons (including death), and for property damage;
- (2) Automobile liability insurance covering any vehicles owned and/or operated by Contractor, its officers, agents, and employees, and used in the performance of this Agreement with policy limits of not less than \$1,000,000.00 combined single limit and aggregate for bodily injury and property damage; and
- (3) Statutory Worker's Compensation Insurance at the statutory limits and Employers Liability covering all of Contractor's employees involved in the provision of services under this Agreement with policy limit of not less than \$500,000.00.

9.2 All insurance and certificate(s) of insurance shall contain the following provisions:

- (1) Name City, its officers, and employees as additional insureds as to all applicable coverage with the exception of Workers Compensation Insurance;
- (2) Provide for at least thirty (30) days prior written notice to City for cancellation or non-renewal of the insurance;
- (3) Provide for a waiver of subrogation against the City for injuries, including death, property damage, or any other loss to the extent the same is covered by the proceeds of insurance. Contractor shall provide written notice to City of any material change of or to the insurance required herein.

9.3 All insurance companies providing the required insurance shall be authorized to transact business in Texas and rated at least "A" by AM Best or other equivalent rating service.

9.4 A certificate of insurance evidencing the required insurance and all endorsements shall be submitted prior to commencement of services.
