W. Randle announced that the event will take place from 7:30 AM to 11:30 AM starting at the Community Center. Based on the Board's recommendations, Hutchins' Big Event will include education, trash pickup, beautification efforts, and the installation of trash receptacles. W. Randle advised that she will order 8 to 10 receptacles, depending on what fits within the budget of \$5,000.

W. Randle proposed postponing the painting of the mural to the next event, the Spring Cleanup, due to timing and to allow for submission to the council for approval.

A. Rodriguez suggested that the Board install potted plants at City Hall, the Community Center, the Library, and the Animal Shelter as a beautification effort. W. Randle said she would reach out to Chief Perry to obtain authorization for placing the potted plants at the Animal Shelter.

D. Francis proposed that the Board focus on painting murals in the parks as part of their spring initiative, aiming to involve children in the community and encourage them to take care of the parks. She also suggested painting the Board's logo in the center of the basketball court.

L. Odom recommended getting signs that say "Keep Hutchins Beautiful" to discourage littering along JJ Lemon.

D. Francis further suggested identifying an eyesore in the city and organizing a cleanup. W. Randle advised that if the Board identifies a location, let her know so that the location can be added for cleanup efforts.

G. Wadley recommended walking the trail at Sunrise Park and cleaning up as a group.

E. Hudson suggested painting the large rock at the corner of Lancaster and Hutchins Road. W. Randle stated that she will try to attend the City Council meeting in September to seek approval for this project, and she will need to know what design will be painted and if a professional will be needed.

T. Sims-Rogers suggested engaging the high school's art department to see if they can create a design or logo for the rock.

T. Sims-Rogers motioned to proceed with education, beautification, cleaning a designated area, installing trash receptacles, and modifying the plans to paint the rock at at the corner of Lancaster and Hutchins road for beautification as the initiatives for Hutchins' Big Event.
