The petition supports the City's 2030 Comprehensive Plan goals by adhering to the Preservation/Enhancement Area designation for the subject property. The proposal enhances and renovates a long-vacant and decaying structure without expanding it, promoting compatibility with the surrounding area.

- 2. We do not find this petition to be reasonable and in the public interest based on the information from the staff analysis, public hearing and because:**

1. The proposed reuse requires relief from a variety of applicable supplementary standards that could negatively impact the surrounding residential uses.
2. The proposed use of the site is inharmonious with the surrounding residential neighborhoods and incompatible with adjacent land uses.
