Tuesday, September 05, 2023 – 4:00 PM

MINUTES

1. CALL TO ORDER – In attendance: Caroline, Jerry, Phil, John, Nancy

2. OLD BUSINESS

1. Parking Updates / Discussion –

The team discussed if there has been any improvements since the changes were made in July. In general it seems that sales are down but less complaints on parking – generally it is the adverse reaction to change.

The team then discussed any recommendations for January – February and potentially March to provide some off-season relief:

- a) free parking on certain days of week
- b) reducing hours per day for parking

The committee was more in favor of reducing hours per day. They also requested further data to better determine if there is a difference between types of customers – local vs visitors, times of day, etc. The committee does not want to suggest any further parking changes until a complete year of parking data / collections, not counting March/April 2023 on those numbers.

3. OTHER BUSINESS

Jerry suggested improvements to the back side of the buildings in the alley in between the parking garage with the newly activated space / seating area.
