The burden of proof is on the applicant to prove the proposed work is in keeping with the historical character of the historic district. Please list specific reference(s) in the **Design Guidelines** that support your application.

Using Metal in creation of sign. Visual of wood with Store Sign in front.

I, the undersigned, certify that all information in this application and in any attachments thereto is accurate to the best of my knowledge. Furthermore, I understand that should a certificate of appropriateness be issued, such certificate will be valid for a period of six months from the date of issuance. Failure to procure a building permit within that period will be considered as failure to comply with the certificate, and the certificate will become invalid. If a building permit is not required, the authorized work must be completed within six months. Certificates can be extended for six months by requesting an extension in writing prior to their expiration from the Commission Coordinator.
