

**RESOLUTION BY THE CITY OF HENDERSONVILLE CITY COUNCIL TO
AUTHORIZE THE SOLE-SOURCE PURCHASE OF A GENERATOR FOR THE FIRE
STATION 1 AND EDWARDS PARK PROJECT**

WHEREAS, the Fire Station 1 and Edwards Park Project (#19019) is intended to provide an updated, long-term facility solution for the Hendersonville Fire Department; and,

WHEREAS, the new Fire Station 1 facility will act as a headquarters, public meeting space, and backup emergency operations center for the City; and,

WHEREAS, the Fire Station 1 facility is required by National Fire Protection Association (NFPA) standards (standard 110) to have a generator to support operations in times of power outage; and,

WHEREAS, NCGS 143-129(e) lists the authorized exceptions to the formal bid procedures. NCGS 143-129(e)(6) allows for purchases of apparatus, supplies, materials, or equipment to be purchasing using sole-source exception when: (i) performance or price competition for a product are not available; (ii) a needed product is available from only one source of supply; or (iii) standardization or compatibility is the overriding consideration. The governing board shall approve the purchases listed in the preceding sentence prior to the award of the contract; and,

WHEREAS, Staff are requesting to continue to standardize generators within the City by asking Council approve the sole-source purchase of a standby generator from Cummins; and,

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Hendersonville, North Carolina that the City Manager is authorized to execute a contract and purchase of a sole source of a generator, transfer switch, installation, and associated items for the project, not to exceed \$110,873.

Adopted by the City Council of the City of Hendersonville, North Carolina on this 4th day of August, 2022.
