

## CERTIFICATE OF SUFFICIENCY

Re: Petition for Satellite Annexation  
Petitioners: United States of America- Ralph J. Werthmann, Army Corps of Engineers-  
Savannah District  
File No. C22-43-ANX

To the Honorable Mayor and members of the City Council of Hendersonville, North Carolina:  
I, Angela L. Reece, City Clerk, being first duly sworn, hereby certify that:

1. A petition has been received for satellite annexation of properties consisting of +/- 20.603 acres located on Crest Road in Hendersonville, NC, being tax parcel PIN 9587-68-8771, and being more particularly described on Exhibit A, attached hereto and incorporated by reference, hereinafter "Petition."
2. An investigation has been completed as required by N.C.G.S. § 160A-58.2 of the Petition for compliance with the requirements of N.C.G.S. § 160A-58.1.

Based upon this investigation, I find that

1. The Petition includes a metes and bounds description of the area proposed for annexation and has attached a map showing the proposed satellite area.
2. The nearest point on the proposed satellite corporate limit is approximately 9,850' from the primary corporate limits of the City of Hendersonville, which is less than 3 miles.
3. The Petition includes the names and addresses and signatures of all owners of real property lying in the area described therein, except those not required to sign by G.S.160A-58.1 (a).
4. The proposed satellite corporate limits are closer to the primary corporate limits of the Village of Flat Rock (9,300'). The City of Hendersonville and the Village of Flat Rock reentered their annexation agreement on August 3<sup>rd</sup>, 2018. The area to be annexed is located within the area that the participating municipalities agreed will not be annexed by the Village of Flat Rock and could be annexed by the City of Hendersonville.
5. The area is situated so the City will be able to provide the same services within the proposed corporate limits that is provided within the primary corporate limits.
6. The area proposed for annexation is not a subdivision as defined in N.C.G.S. § 160D-802.
7. The total area within the proposed satellite corporate limits, when added to the area within all the other satellite corporate limits of the City, does not exceed ten (10%) of the area within the primary corporate limits of the City.
8. The area for annexation meets all other requirements defined in NC 160A-58.54 regarding the character of the area to be annexed.

Having made the findings stated above, I hereby certify the Petition appears to be valid.

In witness hereof, I have set my hand and the City Seal on this the 29 day of June, 2022.

(City Seal)

  
Angela L. Reece, City Clerk
