RE: Sewer connection on Greenville Highway

Dear Mr. Connet:

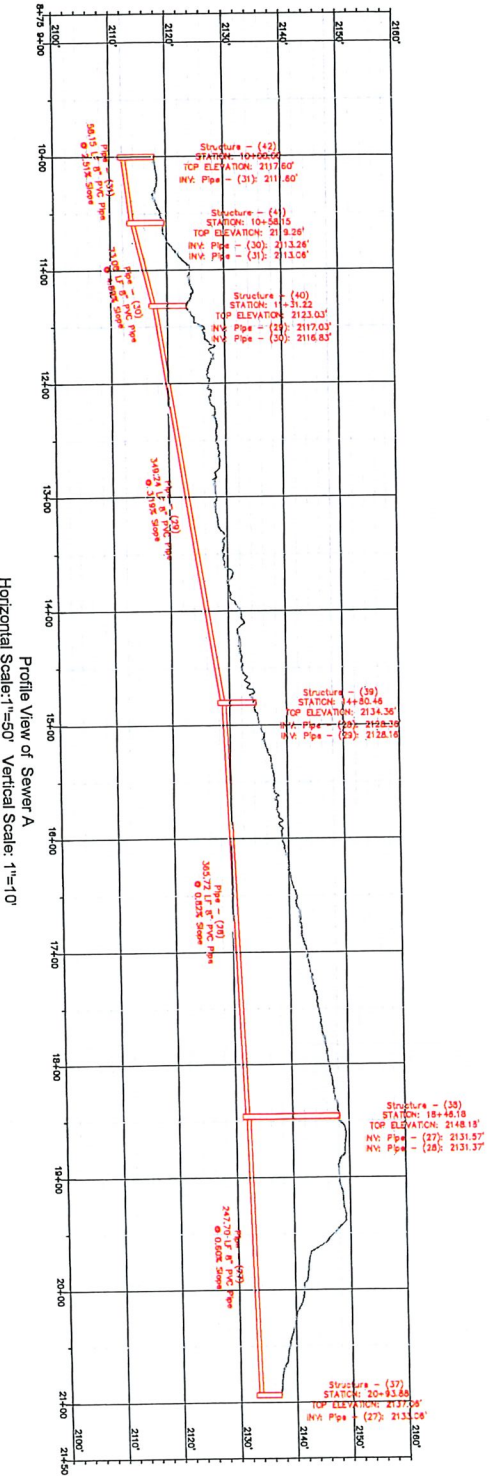

This is to communicate the desire of Henderson County for the City of Hendersonville to extend its sewer lines from the existing line located at the traffic circle on Greenville Highway (NC Highway 225) along Greenville Highway to the property owned by OurCo Construction Company LLC abutting Greenville Highway. This is to formally request the construction of such a sewer line by the City, pursuant to section 5.03 of the Contract of Purchase and Interlocal Cooperation and Settlement Agreement dated the 20<sup>th</sup> of December, 2000, between the County, the City and the Mud Creek Water and Sewer District. The details of the proposed line, which I understand indicates construction to City standards, are shown on the attached.

Thank you for communicating this to the City Council.

Sincerely,

Charles Russell Burrell
