APPLICANT GUIDELINES

The Community Development Department accepts applications for conditional rezoning monthly on the 1st Friday of the month. Because of the multi-step application process for a conditional rezoning, a Pre-Application Conference is required for all applications. In advance of a Pre-Application Conference, applicants should prepare a concept plan containing property boundaries, building footprints, parking, driveways/streets, access points, and other such information. All pre-application conferences must be requested via the City of Hendersonville permitting software Cloudpermit. Conditional Rezoning requests can be found under the "Planning Module" in Cloudpermit. A concept plan is required to be uploaded with all pre-application conference requests.

CZD – APPLICATION COMPONENTS

Conditional Zoning District Applications consist of four required meetings and one primary application deadline. The application components are described below and include the;

- 1) Neighborhood Compatibility Meeting (NCM) – Held prior to the Preliminary Site Plan application deadline, this meeting is hosted by the applicant and involves the presentation of a "Concept Plan" in a public meeting by the applicant. The Planning Division moderates the meeting and records public feedback. Due to noticing requirements a deadline for requesting an NCM is included in the timeline on page 2 to assure that the meeting can be hosted prior to the preliminary site plan application deadline. "Concept Plan" requirements are not as strenuous as those associated with Preliminary Site Plan submissions; they are outlined on page two of this document.
- 2) Preliminary Site Plan Application Deadline – The NCM and all preliminary site plan application requirements including a TIA, if required, must be completed and submitted by this deadline. A complete application with accurate signatures and the application fee is required at this stage. Incomplete applications will not be considered for inclusion on the Planning Board agenda. Partial submissions which have not met the standards established by the City's Zoning Ordinance as outlined on page 4 of this document, will not be accepted for review until complete.
- 3) Planning Board – Held approximately 4-5 weeks after the submission of a complete Preliminary Site Plan Application. The Planning Board meets on the second Thursday of each month at 4pm. The meeting includes a Planning Division staff report and presentation on the application. There will also be an opportunity for the applicant to speak/present. It is incumbent upon the applicant to advocate for their project. Applicants are encouraged to be present and prepare a presentation for each of the required meetings. The Planning Board makes a recommendation for approval or denial of the application to City Council.
- 4) City Council – Held 3 weeks after the Planning Board meeting. The meeting includes a Planning Division staff report and presentation. There will also be an opportunity for the applicant to speak/present. It is incumbent upon the applicant to advocate for their project. Applicants are encouraged to be present and prepare a presentation for each of the required meetings. The City Council takes final action on approving or denying the Conditional Zoning District at this meeting.
- 5) Final Site Plan Review – A Final Site Plan based on the approved preliminary site plan and drafted in accordance with Chapter 7 of the Zoning Code is required after a conditional rezoning is approved and before any site disturbance or construction can begin.
