

LET'S GO HENDO

A Life Line

By Elizabeth Queen

v.2. Discussion Draft

THIS BLANK INNER COVER RESERVED FOR PUBLISHER

LET'S GO, HENDO!

A Life Line

By Elizabeth Queen

To Henderson County, North Carolina and all of its creatures great and small.

Let's Go, Hendo! A Life Line, by Elizabeth Queen

***An active and transformative journey through diverse terrains and experiences during which time,
an individual learns something of the world around it, its place in it, and perhaps something about itself.***

The published work will contain original multi-media illustrations. For companion movements aligned with storyline, see the supplemental Layout Map presented herewith.

Let's Go, Hendo!

We're Going on An Adventure.

Let's see what we can see,

Let's see what it can be.

Here's A Creek.
Let's Skip Through It.

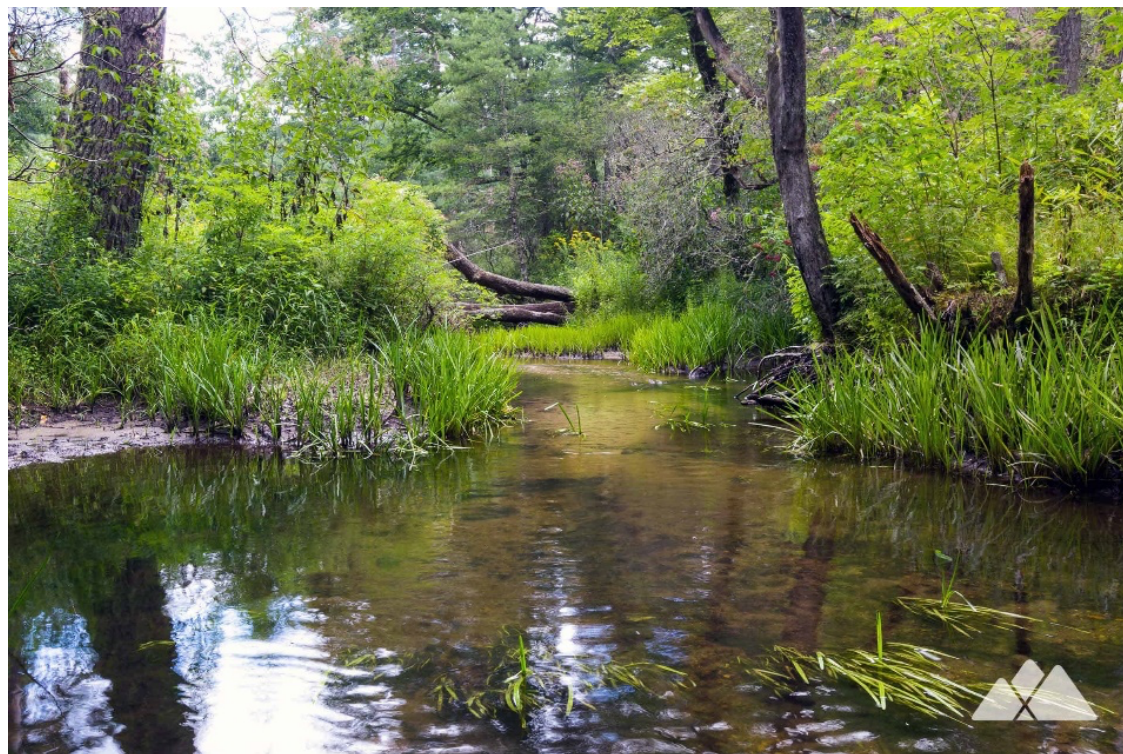

It's Turned into A River!

Let's Flow with It.

LET'S GO HENDO-V.2- DISCUSSION DRAFT.

NOTE: The images contained in this discussion draft are for public educational/concept development purposes.

The published work will contain original multi-media illustrations. For companion movements aligned with storyline, see the supplemental Layout Map presented herewith.

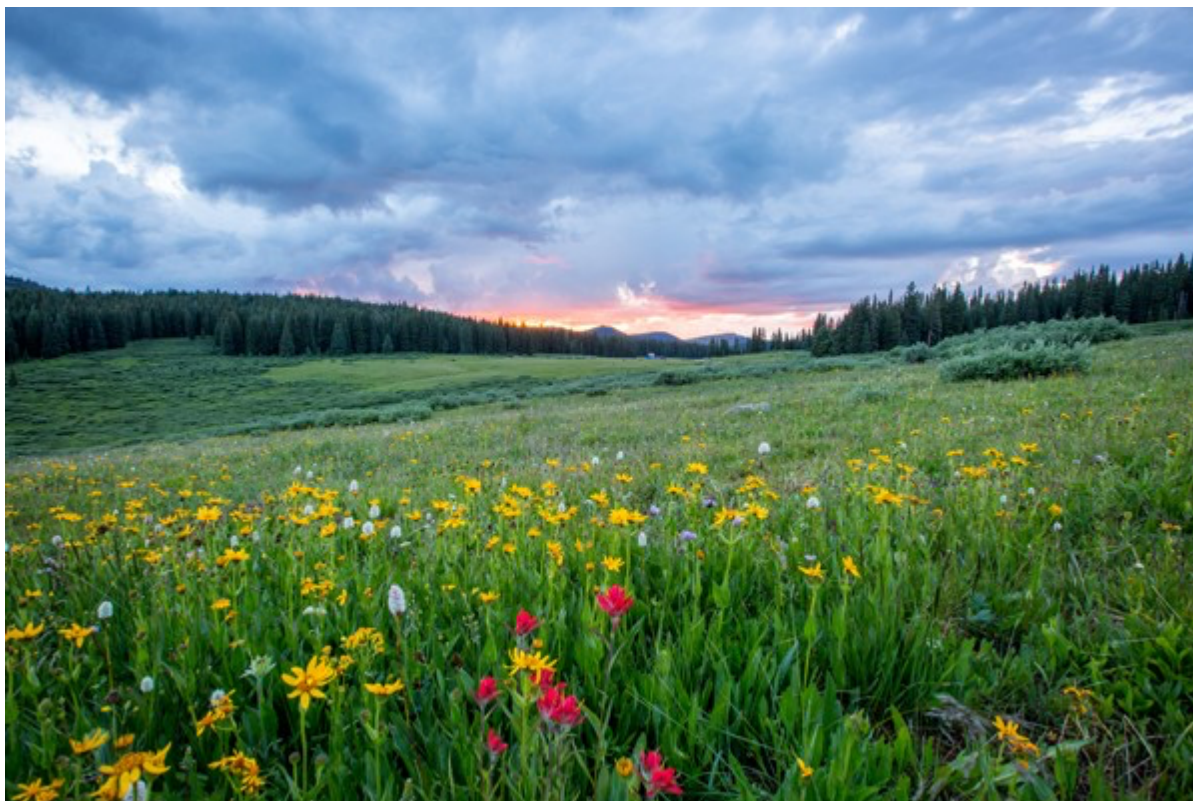

Ahead there's a Swamp.

Let's Leap Over It!

See what we can see.

See what we can be.

Here's a meadow.

Let's stop to smell the flowers,

Behold the butterflies and bees!

(Geo-note: adjacent to Good of Hive mural)

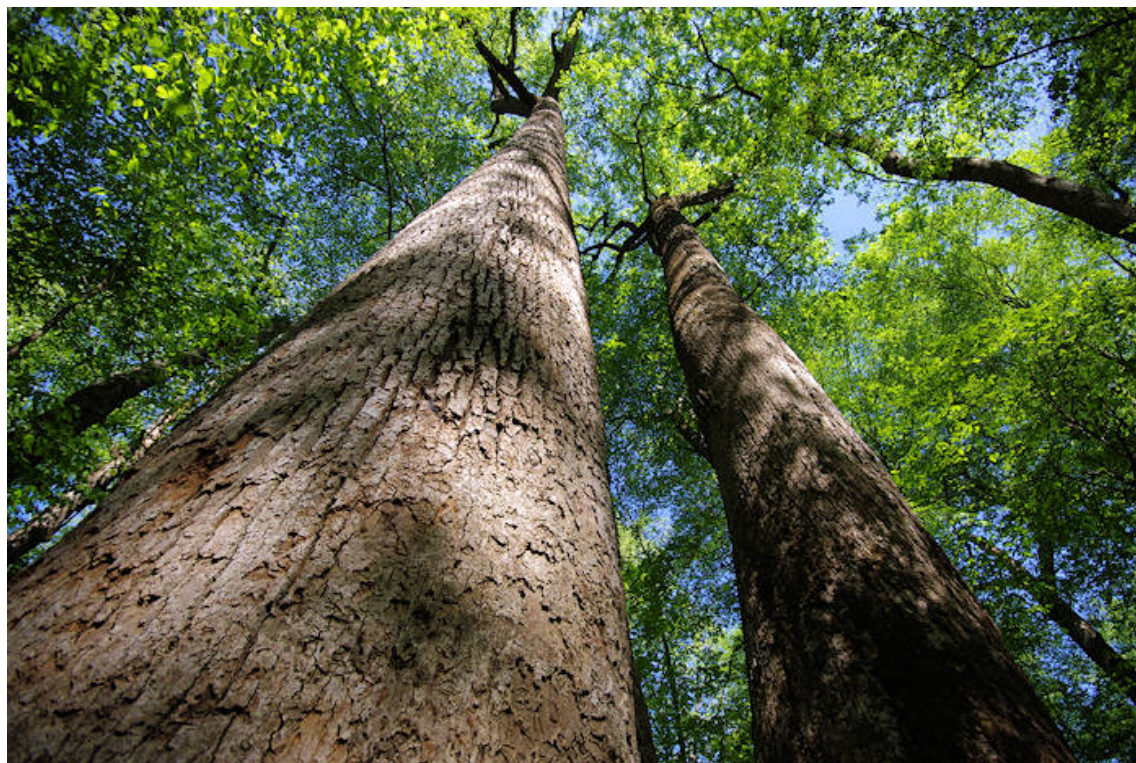

These Woods look dark and Scary....

Let's Go Inside!

LET'S GO HENDO-V.2- DISCUSSION DRAFT.

The published work will contain original multi-media illustrations. For companion movements aligned with storyline, see the supplemental Layout Map presented herewith.

Find a tall tree.

Climb higher than you've ever dared before.

Explore the many paths before you.

See what you can see.

See what you can be.

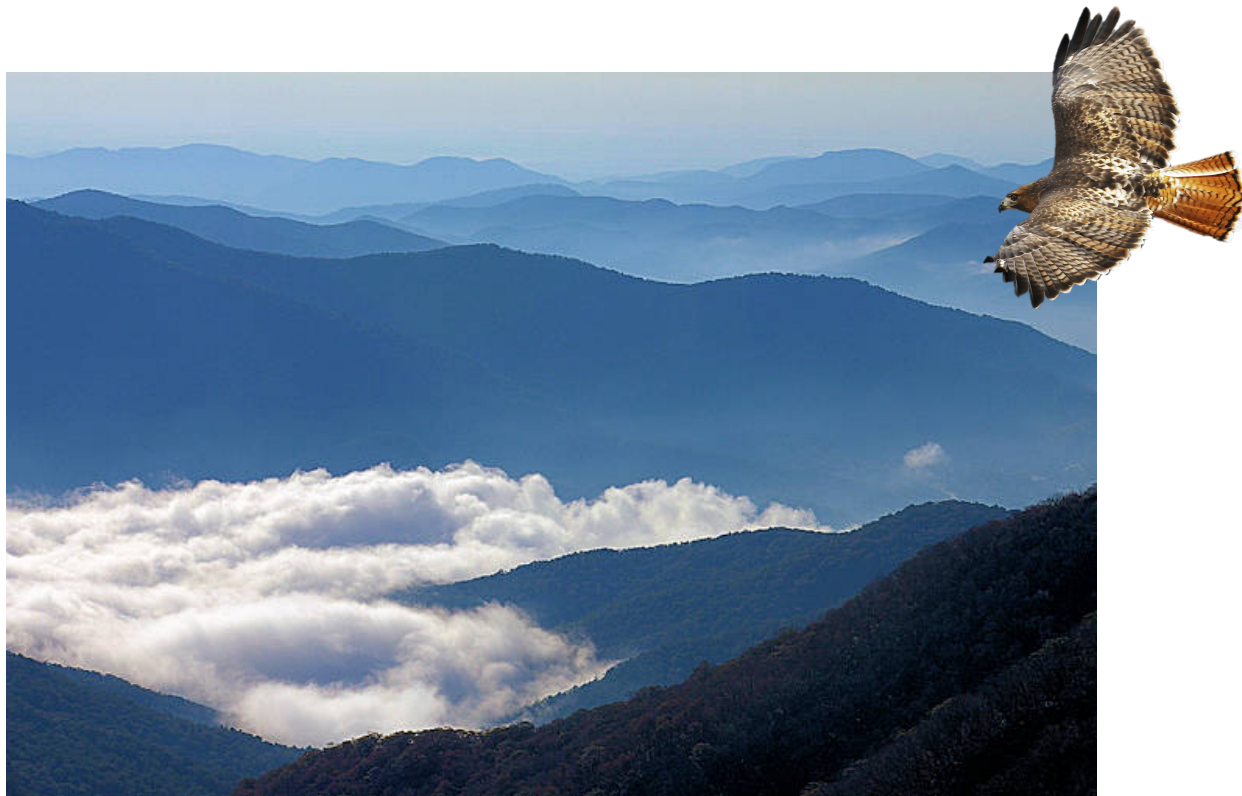

Flutter by.

Take in a different view.

LET'S GO HENDO-V.2- DISCUSSION DRAFT.

NOTE: The images contained in this discussion draft are for public educational/concept development purposes.

The published work will contain original multi-media illustrations. For companion movements aligned with storyline, see the supplemental Layout Map presented herewith.

Stretch your wings.

Soar with the winds far above.

LET'S GO HENDO-V.2- DISCUSSION DRAFT.

NOTE: The images contained in this discussion draft are for public educational/concept development purposes.

The published work will contain original multi-media illustrations. For companion movements aligned with storyline, see the supplemental Layout Map presented herewith.

Safely cross.

Make your way down,

landing on a sunny hillside.

**Take stock of where you've been,
where you are going,
where you are *right now*.**

**See what you can see.
See what you can be.**

You've Got This!

Stretch Out

Run

**Celebrate Your Path
To the Finish Line.**

Relax, You Made It!

**Look Both Ways,
Cross into Mountain Country**

**Enjoy the Bears, the Bees
and Whatever Comes Next!**

See what you can see.
See what you will be.

The End.
