

North Carolina Association of Chiefs of Police

Dear Chief Myhand,

Congratulations! On behalf of the North Carolina Association of Chiefs of Police (NCACP), it is my pleasure to inform you that you have been awarded funding from the NCACP Performance and Wellness Grant in the amount of \$5,116.12.

In 2021, the North Carolina General Assembly passed Session Law 2021-138, which introduced significant reforms aimed to improve policing and criminal justice in North Carolina. In an effort to support our law enforcement agencies with these changes, the General Assembly authorized funds to be deployed as grants administered by the NCACP to enhance the performance and wellness of its law enforcement agencies and their officers.

In order to ensure the efficient and appropriate administration of the grant funds, a document is being provided for you to sign, acknowledging the acceptance of the grant funds, and that they will be used by your agency as indicated in your application and supporting documentation. Please sign this form and return it to NCACP Grant Manager, Steven Combs, at the following email address scombs@ncacp.org.

If your grant application involves a contract with a company in which there is a monthly payment for services, please provide the contract your agency has signed with this company, and a receipt for the first payment. The NCACP will then award funds for the first year of this contract once these documents are received.

The NCACP is grateful for all that you do to support and enhance the performance and wellness of your agency and its officers. If you have any questions please contact Grant Manager, Steven Combs, at 919.622.7524.

Sincerely,

Bill Hollingsed
